

The Vision of Riley's library

*The Riley Elementary Library vision is to create a **community space** where all are welcome and come **TOGETHER** to connect through literature and learning.*

*Teachers, students, and school community stakeholders collaborate to **CREATE** opportunities to **ACHIEVE** at high levels and develop a **love of reading**.*

*Technology will be utilized by all to be well informed **seekers of knowledge** to **DREAM** and connect with others, their communities, and our world!*

Riley's Library Mission is to ...

Be a place where all are welcome, celebrated and accepted!

Encourage inquiry and discovery through literature and technology.

Provide learning opportunities that will develop the skills needed to be information literate to connect with others, their communities, and the world.

Be a place where literature reflects the readers and readers love to read.

Be a place of collaboration, discovery, problem solving, and laughter.
