

# Riley Family Guide to Learning in Library with Ms. Powell

## Students will ...

- Read something they choose each school day.
- Share their thinking and participate in library learning.
- SOAR while learning in the library space.
- Think before they click on their digital device.
- Achieve while they try and learn new ideas.
- Respect others while they share in the library space.

## Families can...

- Access library lesson slides
- Check out digital books on SORA for their student/s
- Text, message, email, or Zoom meet with Ms. Powell
- Ask questions and have fun reading with their student/s
- learn with their student/s

## Ms. Powell will...

- Create lessons to engage students in reading and encourage a love reading.
- Teach the Utah library core and more!
- Model and teach how to be safe and a good digital citizen.
- provide opportunities for students to see the power in information and inquiry.
- Honor all learning and celebrate successes each week
- Be available by

Email [shelly.powellhamilton@slcschools.org](mailto:shelly.powellhamilton@slcschools.org) or after school Tuesday and Thursday until 3:00 or by appointment.
