WPUSD SCHOOL COVID-19 TESTING
FOR STUDENTS, ATHLETES, STAFF, and VOLUNTEERS

WPUSD FREE COVID TESTING

WPUSD is partnering with COVID DX/ Avellino Labs for **NO COST** COVID testing. Testing is available for students, athletes, staff, and volunteers.

Registration/patient intake forms are required for COVID DX / Avellino Labs testing. Pre-registration is preferred and can be completed at the following link:

*https://avellinocov2.com/patient/register.*

If the patient would like to receive results directly, check the box "Patient Results" and enter either a mobile number or email address. You only have to register once. If you have medical insurance, COVID DX / Avellino Labs will bill your insurance provider, which is required to cover testing costs at **no cost to you**. If you do not have medical insurance, CARES Act funding will be billed for the cost of testing.

Test results are expected to be received within 48-72 hours. You will be notified of the test results via an email that you provide on the consent form. School sites do not have access to the testing results. Parents may need to provide negative results to the school office staff.

LOCATIONS AND HOURS:
The following sites are available for drop-in during the schedule below:

Monday	Tuesday	Wednesday	Thursday	Friday
2:30-6 PM	3-6 PM	3-6 PM	3-6 PM	3:30-6 PM
