

PASTORAL CURRICULUM

Boys are cared for pastorally every second of their time at Harrow School through the work of their House Master, Matron, Assistant House Master, Tutor and House Visitor, as well as all other Masters and non-teaching Staff. The Pastoral Curriculum encompasses the skills and content that are delivered to enable that care. Throughout the School, Tutors take the lead in the delivery of the curriculum, supported by other members of the House Team. Conference, workshop and visiting speaker events act as an additional layer of support, alongside a programme of presentations to parents.
