Before a senior can drop below 5 credits, we are requiring that the senior and his/her parent sign below, acknowledging the following:

- **A student must take and pass 4 or more courses per semester to compete in high school athletics**
- **A student who is planning to apply to college is strongly advised to take a full academic schedule or jeopardize admission**
- **Students who fall below 5 credits may be considered as part-time students by some insurance companies**
- **Students cannot drop below 4 credits**

If your son or daughter is requesting a reduced schedule in order to pursue a course at a local college, please inform your child's counselor.

Please sign below and return this form to your son's/daughter's counselor.
