

Reflections Form

To be submitted upon completion of each Professional Reading Circle, Book Study, Independent Reading/Research or Professional Article/Journal.

Write a brief response to one of the discussion questions listed below or you may choose your own topic for the Reflection. Narratives should be at least 150 words in length.

1. What new learning have you acquired as a result of reading this book/article?
2. How does this relate to current district/campus philosophy and/or practices?
3. How will you use this new learning in your classroom?
