## ATTENDANCE POLICY

According to Texas Education Code 25.092, a student may not be given credit for a class unless the student is in attendance at least 90% of the days the class meets. (90% of 178 days). Students who fail to meet this requirement must make arrangements to make up time lost or risk being retained.

## ATTENDANCE INFORMATION

### Procedures When Absent from School

Each day a student is absent, parents are asked to contact the school attendance office at ph. (713)251-4604 or fax (713) 251-4603 prior to 9:00 A.M. to report the student's absence. If the school does not receive communication from a parent regarding a student's absence, the office will attempt to make contact with the parent in order to serve as a check against truancy.

In the event parent contact is not made on the day of the student's absence, the student must bring a written note signed by the parent stating the reason for the absence and present it to the attendance office on the day of return in order to secure an admit to class. A doctor's excuse is required for absences exceeding five consecutive days.

**Absences of five (5) or more consecutive days, for any reason, will be referred to the district attendance officer for investigation.**

### Procedures when Making Arrangements for Make Up Work

It is the responsibility of the student to make arrangements with the teacher for make-up work and the scheduling of tests. The student will be allowed one day for each day of an excused or unexcused (at teacher discretion) absence to make up assigned work. Major projects assigned at least two weeks in advance will be due immediately upon the student's return. Students who are truant will not be permitted to make up any missed assignments, quizzes or tests. Requests for missed work are to be made through the attendance office. It is the student's responsibility to request and complete assignments within the allotted time. Work that is not turned in within the prescribed time frame will receive a late penalty, but still must be handed in the following day.

### Procedures When Leaving School Early

Students who must leave school early should bring a note, signed by a parent, stating the specific time and reason for leaving and the estimated time of return. At the specified time, the student should show the note to the teacher, then meet the parent in the attendance office.

**Parents/Guardians must show picture identification (driver's license) when they pick up their children. SFMS will use V-Soft technology to register all visitors on campus.**

### Procedures When Arriving Late to School

## IN SCHOOL SUSPENSION (ISS)

The In School Suspension (ISS) is designed to encourage the student to exercise self-discipline and to provide the student an alternative to home-based instruction. Assignment to ISS, a separate classroom staffed by certified teachers, is a method generally used to handle *major* discipline problems or repeated minor infractions when the student's inappropriate behavior makes it necessary to remove them from the normal classroom setting. Students will work on assignments from their regular classes as well as from required behavior modification packets. Although students receive full credit for all work completed in ISS, the added difficulty of completing assignments without the help of regular classroom instruction is a natural consequence of being removed from the classroom. When the students are assigned to ISS parents will be notified of the infraction and the number of days assigned by the ISS assignment form or the appropriate assistant principal.

Violations of ISS rules will result in the student being removed from campus and a possible additional discipline assignment. Students assigned to ISS will receive a sack lunch from the cafeteria. Fast food delivery will not be accepted. If a student is approved for a free or reduced lunch program, a sack lunch from the cafeteria will be provided. When a student is assigned ISS, the parent will be contacted.

## LIBRARY MEDIA SERVICES

The library learning commons is open from 7:30 A.M. to 4:30 P.M. each day and is meant to empower students to explore, connect with new information, and be a place in which they can create using the resources the learning commons has to offer. A pass from a teacher is necessary to use the library during the school day. Books, pamphlets, and periodicals may be used in the library and may be checked out to take home. All materials checked out must be returned on time and in good condition. If material checked out from the learning commons is lost or damaged beyond repair, the replacement cost will be assessed. Students are responsible for paying these costs by the end of the semester in which the book was lost or damaged. If the book is found, the charge will be refunded. Students are welcomed in the library during activity period to find reading material and/or work on research projects or class assignments only.

## LOST AND FOUND

A "Lost and Found" area is located in the attendance office. Found articles should be turned in promptly and lost articles should be claimed within a reasonable time (ten days). All items not claimed by the end of each nine weeks will be donated to charity.

Students will be responsible for bringing progress reports to parents/guardians. It is the responsibility of the parent to notify the school of any change of address.

## SCHEDULE CHANGES

Course selections are made in the spring and every effort is made to honor student course requests. Personnel assignments and the master schedule are based on the student's selections; therefore, a student's schedule is difficult to change once it is in place. Changes will be made for the academic benefit to the student when possible and for no other reason(s). The counselor must receive a written request from the parent for a schedule change within the first week of the semester. The principal must approve all changes.

## SCHOOL LUNCH PROGRAM

Application forms with an income eligibility scale are given to each student at the beginning of each school year. Students may start receiving free or reduced lunches the day the application is approved. All applications will be handled privately and information will be kept confidential. Meals, full price or reduced price, may be prepaid.

## TARDIES

A student is considered tardy to class if the tardy bell rings and students are not inside the classroom. Students are to report to class for roll check before participating in any other scheduled activity. If a student is detained in the office or by a teacher, a tardy excuse should be issued before going to the next class. Missing the bus in the morning will not be considered an excused tardy. Procedures for documenting tardies will be monitored by classroom teachers and grade level principals.

Tardies are cumulative and will be checked weekly.
