

# WELCOME FROM THE FINANCIAL AID OFFICE!

David M. Suter | Associate Head of School & Director of Enrollment

## OCTOBER FINANCIAL AID WORKSHOP REVIEW

For the sixth consecutive year, Ridgefield Academy has partnered with SSS to help with a parent-education program entitled “How to Apply for Financial Aid”.

All current families receiving tuition assistance and all prospective families indicating they are planning to apply for tuition assistance for the 2023-2024 school year are invited to access clips if you would like:  
<https://www.solutionsbysss.com/parents/apply/parent-webinars/>.

A brief presentation helps guide parents through the aid application process, including an introduction to this year’s 2023-2024 Parents Financial Statement (PFS), and provides some helpful hints to parents applying for aid.

“I think it is really helpful for parents to learn more about the aid process,” Director of Enrollment Dave Suter notes. Using the vast School and Student Services (SSS) resources, families become aware there are steps that they need to take now in order to complete their aid application in a timely fashion.

“The process is de-mystified for me, personally,” one parent says. “I learned how important it is to get things in before the deadline, and I learned how important open lines of communication are between our family and the school on this topic.”
