

FREE Breakfast and Lunch for All

Hoosac Valley School District Students Grades K-12

Dear Parents/Guardians:

HVRSD is pleased and excited to inform you that the entire Hoosac Valley School District will continue implementing the Community Eligibility Provision (CEP) under the National School Lunch and School Breakfast Programs for this school year 2021-2022. What this means is that through CEP **ALL** HVRSD students will be eligible for one school breakfast and lunch daily at **NO COST**. This also means that no Free and Reduced Lunch Application will be required.

We are writing to share this information with you and to ask that you help us to ensure our meal program is a success by having your child participate in school breakfast and lunch everyday. Why? Because participating in both the school breakfast and lunch program at school provides nutritious food for your children so they can concentrate better and learn more while saving you time and money at home.

Due to the fact that each child will receive a free breakfast and free lunch, we are continuing implementing a “**NO CHARGE POLICY**”. If your child likes to get an extra lunch or entrée they will need to have cash or use money already on their account. No charging snack items. Here is a link that you can access to add money to your child’s account.

Credit Card Payment Access
