

eSCHOOL SPRING 2022 SEMESTER INFORMATION

Spring Semester classes are January 18 - April 19, 2022

Courses offered

Prerequisite - None

F23990

AMERICAN GOVERNMENT

Enrollment Based Grade 12

FINANCIAL LITERACY F26387

Enrollment Based 1/2 unit Grades 10, 11, 12

Prerequisite - None

The required course in American Government is based upon students' previous learning to assist them in being informed and engaged citizens. Emphasis is placed on the rights, responsibilities, and privileges of citizenship. Students will examine the development and the fundamental principle incorporated into the United States Constitution; the organization of government at the federal, state, and local level; political parties and elections; comparative government; and foreign policy. *Completion of this course will satisfy the American Government course graduation requirement.

1/2 unit

This course is a comprehensive study of personal financial literacy designed for all students and is aligned to the national standards for personal financial literacy. Students learn how to make informed financial decisions related to budgeting, banking, credit, insurance, taxes and career exploration. An integral component of financial literacy curriculum is the application of decision-making skills that enable students to become more responsible consumers for lifetime success. *Completion of this course will satisfy the financial literacy course graduation requirement.

ART HISTORY

Enrollment Based E27615 1/2 unit Grades 9, 10, 11, 12

FITNESS FOR LIFE

Enrollment Based Grades 9, 10, 11, 12

E28165

Prerequisite - None

Prerequisite - None

Introducing art within historical, social, geographical, political, and religious context for understanding art and architecture through the ages, this course offers high school students an in-depth overview of art throughout history, with lessons organized by chronological and historical order and world regions. *Credit for art courses may be applied toward the minimum fine arts graduation requirement.

Exploring fitness topics such as safe exercise and injury prevention, nutrition and weight management, consumer product evaluation, and stress management, this course requips high school students to assess individual fitness levels according to the five components of physical fitness: cardiovascular health, muscular strength, muscular endurance, flexibility, and body composition. Personal fitness assessments encourage students to design fitness programs to meet their individual fitness goals. *Credit for this course may be applied toward the minimum physical education graduation requirement.

Course Information

- eSchool courses require 60-65 hours to complete except Fitness for Life. Courses are self-paced and SMSD recognizes students may have other obligations during the window of time. As long as the course is completed by the deadline there will be no mandatory login dates/times.
- Fitness for Life requires pre and post testing in flexibility, strength and cardio. Pretests should be completed within the first seven days of the course. The spring course requires 20-25 hours of online coursework and a minimum of 48 hours of fitness total. The hours will need to be logged weekly.
- Health Education contains a hands-on only CPR component that will need to be demonstrated in-person.
- ELA 3, ELA 4 and US History courses may be taken for semester 1 or semester 2 credit (1/2 unit each). Semester 1 course must be taken before Semester 2 course. Both courses may only be taken during the same eSchool semester with eSchool administrative approval.

eSchool Enrollment and Tuition Information

- Enrollment for the spring 2022 semester will begin November 30, 2022.
- Parents can enroll their student(s) online with Arena Scheduling through Skyward Family Access OR in person at their high school counseling office.
- The deadline to enroll is January 20, 2022.
- SMSD students only \$180.00 per course.
- Full payment is required with online fee payment (eFunds charges a \$3.00 convenience fee) or with the school bookkeeper. Payment not received within 48 hours after a course is approved online or enrolled in person will remove students from the course. Partial payments and payment plans are not accepted.

Technology Requirements

SMSD students who enroll in spring eSchool courses will use their SMSD MacBook device.

Orientation/Testing Information

- Spring 2022 eSchool orientation meetings will be held on the dates below. Attendance at one of these meetings is mandatory. Fitness for Life students will be contacted regarding pretesting, which should be completed within the first seven days of the course if they want to remain in the course. Those who do not complete the pretest will be withdrawn from the course.
 - o January 13, 2022, 6:00-7:00 p.m. @ SM West Cafeteria
 - January 20, 2022, 6:00-7:00 p.m. @ SM East Cafeteria
- Students will be required to take the final exam for the course in a supervised testing environment. Options are below. Fitness for Life post test will be supervised by course instructor.
 - o April 19, 2022, 3:30-6:00 p.m. @SM North Cafeteria
 - Or by appointment with an eSchool administrator

Grades

Students may check their grades in Edgenuity at any time in the "Progress Report" area. Progress Reports will also be sent home to email addresses listed in the student's Edgenuity account.
