

Message From Principal

Hello Samantha Smith Families,

Do not forget that Wednesday the 24th is a half day ending at 11:50am. This is not a normal Wednesday early release. We hope your family is able to enjoy the long weekend. If you celebrate Thanksgiving, Happy Thanksgiving.

Each day we are learning of more and more students who have received their first dose of the Covid Vaccine. If you were not able to find a vaccination appointment, you can visit for more information. The Washington State Department of Health website has added children's vaccines to their vaccine locator webpage: [Vaccinate WA: Find COVID-19 Vaccine Appointments Near You](#). Doses are limited across the country at this time.

Our staff members are not required to check their emails during the evening or on the weekend. **If you need to communicate a positive Covid case, please email me (Mrs. Warner) directly at jwarner@lwsd.org** . Please note that all positive cases are reported to the school by the Department of Health. We ask for your partnership in letting us know as soon as you know, to help keep others safe.

Our Equity Team is excited to launch the first *This is My Story* event on December 3rd. Throughout the school year, individuals will have an opportunity to tell their story through a monthly focus. In hopes that our community consider and include all voices in our daily actions, the venue of storytelling will allow us to learn from perspectives and experiences that differ from our own and also help reinforce connection. It will allow us to focus on personal experiences that may connect us through shared experiences, brighten our spirits due to a lens of positivity or hope, or even help us grow empathy as we hear about the struggles or hurts of others. This campaign is focused on the collective efforts of staff, students, and families. Together, we are striving for a school community that truly feels authentically inclusive and for a community where all stories matter. When we know better, we do better. Please click on the link for more information and ways you can participate in this event.

Are you ready for inclement weather?

When emergency conditions such as snow and ice or windstorms result in school schedule changes, the district will notify families directly through our SchoolMessenger automated phone system. You can learn how to know when school is delayed or cancelled on the [School Closures and Late Starts page](#) of the district website. Families with students who ride the bus should watch their mail in mid-November for a postcard with information about their bad weather bus route.

- Here are some other ways to find out about school schedule changes: Pop-up alert on www.lwsd.org and school webpages.
- [Flashalert.net](#) – this website allows you to sign up for text messages as well.
- Local TV/radio stations – they get a feed from Flashalert.net of all school schedule change decisions.

Students go out to recess rain or shine. Please send your student daily ready for the weather. Raincoats, rain boots and umbrellas are allowed.

Please help our school stay safe. If your child is sick, keep them home. If your child has any of these symptoms, they must stay home. If they are not kept home, they will be sent home.

Covid Symptoms:

- Fever of 100.4 or above (a student does not have to have a fever to have Covid)
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Fatigue
- Muscle pain or body aches
- Headache
- Loss of taste or smell
- Sore throat

- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Warmly,

Jamie Warner

From the Office

Early Release on November 24th.

Reminder, school release time is 11:50. Lunch will not be served. If your child attends the YMCA after school, you will need to pack a lunch.

Student Mask Update:

Update on student masks during the upcoming winter months-November is bringing more rainy/windy weather to the PNW. Our students are outside during recess multiple times during the day and their masks are getting wet. Please pack an extra one or two reusable or disposable masks in your student's

back pack everyday so if theirs gets wet outside, they have dry back up ones to wear for the rest of the school day. Thank you!

.Cul De Sac Drop off and pick up

Please do not drive up into the SE 233rd Place cul de sac for drop-off and pick-up (this is to the south of Smith campus). If arriving from this direction in car, please drop your student off on NE 10th Pl. We have a crossing guard out there in the morning and afternoon.

Late coming to school:

Parents, if you are bringing a child late to school, please make sure that you bring them into the office to get a slip to get them to class. Thank you

Change of plans at the end of a school day:

Parents, if your child needs to go home a different way than normal, please call the office so that we can make sure to get a note to the teacher. 425-936-2710

School Supply lists

The school supply lists can be found on our school website

Important reminders about Samantha Smith Elementary campus:

- Samantha Smith Elementary playground and fields are closed for public use during school hours
- Dogs are not allowed on school grounds property between 7 a.m. and 4 p.m. on any school day.
At all other times dogs must be leashed and controlled by owners in accordance with King County Code 11.04.230. Owner must clean up after their dogs and remove waste from district premises

Attendance

if your child is going to be absent or late to school, please email our attendance line at SmithEsAttend@lwsd.org.

New student online registration

Families may now register one or more of their new students online using Skyward, the district's student information system. To do so, you will need a login (username) and password.

Please note, this is only for new students to the district. Current students don't need to go through this process. [Visit the district website for more information.](#)

If you know of someone, a friend, a neighbor who has not registered their child yet, please spread this word

Hello and Happy November!

During this time of year, many families face financial hardships. If you or someone you know is in need of support this holiday season, there are several local organizations that offer confidential resources to families in need. Please see link below if interested in learning about local holiday gift and meal resources for your family. Please also feel free to reach out to me with questions or if in need to resources outside of this list.
