The PTSA is excited to announce that after several years of not having a Battle of the Bands Competition, Northridge will be having one this school year! It will be Thursday, January 13, 2022, 7pm.

- There are two competitions, Battle of the Bands **and** Open Mike.
- Open Mike is a solo artist vocal competition. The entrant must be accompanied by one instrument which they can play themselves or they may have another person (ages 9th grade -20 years old) accompany them. They will sing one song--an original **or** a cover.
- Bands competing in the Battle of the Bands will perform 2 songs--an original **and** a cover. Bands need to have at least 2 members and the majority of the band members must attend Northridge.
- We will have cash prizes for 1st, 2nd, 3rd place and Northridge will send the 1st place winners in each competition to the regional competition in March.
- We'll be having a mandatory information meeting next Monday, November 22, after school in the lunchroom to hand out the information packets and give everybody the help and answers they need.
