

Can You Escape?

By: Brooklynn Rademacher, King Elementary, 5th grade

It was a nice morning in Washington. It was warm, sunny, and there were people everywhere. I could tell that it was going to be a wonderful day. "Oh no!" I yelled, "I have to meet Daniel and Maddy in 30 minutes!" What happened next was crazy...

I was barely on time to meet them at Maddy's house. We stayed at Maddy's house for about 20 minutes, then we started exploring the forest to see if we could find any cool animals or weirdly shaped tree branches little did we know what was about to happen. The next thing that happened was that we heard noises behind us. We turned around thinking it was something or someone that was following us, but it was just Maddy's little brother Lincoln. "LINCOLN!!!!!!!!!!" Maddy yelled. "I'm sorry." Lincoln replied hesitantly. After that something happened that we never thought would happen to us. We had wandered a little too far, not knowing where we were, and what had just happened. We have found an abandoned school. All of the windows were boarded, it was horrifying. "Uhhh, I'm not so sure about this." I added. But of course we had to go check it out. It was so creepy and it just gave us shivers looking at it but after we went in, that was it for us. Let me tell you, it was the most scary thing we have ever encountered! We were shocked at what we saw next. You wouldn't believe what happened to us that day...

We went into a classroom that we thought was empty, but it really wasn't. Some creepy woman was standing there "What are you doing here?" The creepy lady said in a creepy, witchy voice. We wanted to scream, but we were terrified of what the creepy woman would do if we did. "W-w-who a-are y-you?" Maddy said in a nervous tone. Just then we encountered another really scary thing. She snapped and all of a sudden time stopped.

story ends, "Harold kneeled and stretched out a bloody skin to dry in the sun."

Spooky Story by Adaliah Vargas

It is October 31st at 12:00. Chloe Neil was trick or treating with her friend Joey; they have been friends since 2011. They decided to have matching costumes this year, SpongeBob and Patrick. They are both 18 and still love trick or treating. They thought that this year they would do more tricks. When it was past midnight they knew that all of the kids would be done trick or treating, so they decided to go outside and look for candy on the floor. They found a lot. When they got back to their house the front door was open. They thought that they just forgot to close it. When they walk in it is awfully cold. They close the door as fast as they can. "Brrrr. It is freezing in here!" Chloe says. "Yeah I know!" Joey says. They make themselves some hot coco to warm up. Then, they hear a big crash upstairs. They go up there and just see their dog. "Now I am starting to get scared," Chloe says. "Yeah me too," Joey says. They go and hide in the closet when they hear scraping on the window. "1...2...3...4." They hear in the distance. "Come On lets unlock the door." "shhh". Joey covers Chloe's mouth. "what is going on"? Chloe asks. "I don't know, I think

Strange

By: Keirra Mark

As I awoke, I heard a sound. I went to see what was a white two-tailed cat with angelic wings. Suddenly I fell asleep. When I woke up I was in the cat's body, and I knew that I could do anything I wanted. When I went outside I got picked up by someone, and they adopted me. When we went home there were other cats. Suddenly I was put in a cat carrier. I didn't know where we were going because I was asleep. Then I woke up and I saw myself in a daycare but for cats. When the person set me down I ran out but I couldn't. Suddenly I woke up from my dream.

Halloween Scary

By L.J. Glover

I went to a Halloween party that was very scary and fun. We partied all night when the party was over me and a couple of friends walked home together. But something mysterious happened, some colored object dashed so we checked it out. That colored object that dashed was actually a clown we screamed for our lives while running. We all splitted up and I ran into a dark alley. I screamed my voice off because I saw Michael Myers. He grabbed me but only shook me. He took off his mask only to be my good friend Calvin who is very tall. He told me the whole clown thing and it was a Halloween prank they do to someone every year. That was the funniest and scariest Halloween ever.

The Undead Graveyard

It was a dark night and the town was all asleep, but the undead graveyard out of town was not. The undead zombies were waiting for their next victim, but these weren't ordinary zombies; they have taser guns to electrocute their victims and then attack them. They would then hire hidden witches to cook the brains from their victims. They are very evil and they get paid with the belongings of the victims.

The next morning it was still dark in the undead graveyard and some towns folk came to check it out. Next thing they knew they were being shocked by taser guns and pulled underground. Nineteen of them were caught and only one of them lived to tell the tale. The zombies had a big feast after they caught all those victims.

Eventually the undead zombies evolved to go into the town and the town's population keeps fluctuating to this very day. All those victims of the undead zombies have never been found.

The tale of the undead graveyard still lives on to this day.

The Spiders Strike Back

By *Myles Opong, King Elementary, 5th grade*

Woosh! A ship zoomed out of hyperspace as it flew towards the icy planet of Hoth. As it landed on the cold surface, a cyan door opened. Steam rushed out into the cold atmosphere. A mandalorian with snow armour walked out and stared into a cold dark cave. He was followed by his droid J3-DI. They were searching for cyber crystals for money for the Mandalorian fleet (Death Order) to buy weapons against the Galactic Empire. The mandalorian pulled out his blaster.

"I have a bad feeling about this," J3-DI said shakingly. "I am scanning many life forms ahead."

"Don't worry," the mandalorian said. "They're probably just harmless cave mice." J3-DI saw that they were passing by many eggs. "Whelp, I think that's all we need," Mando replied excitedly, hoping for J3-DI to snap out of it. "This is worth 50,000,00 credits!" Suddenly the heroes heard a crack. Followed by more cracks. Then a big loud BOOM! They both saw a white 50 foot figure with 8 legs.

"Run!" Mando yelled.

"I am!" J3-DI replied.

"Get in the ship!" J3-DI followed by Mando zoomed in. Mando grabbed the Rocket Launcher and rushed back outside. WOOSH! As Mando shot the rocket launcher it made a whooshing sound as it sped towards the giant monstrous spider. BOOM! As the boom of the rocket launcher shook the heroes, the spider fell to the ground with a loud thump.

"We've got the mother spider, now let's get out of here!" J3-DI shouted out as the mandalorian shot the smaller spiders with his double pistols.

"Fine! But as long as you're no longer afraid of some tiny spider's," Mando replied.

"But they're not tiny and you're afraid of spiders too!"

I walked through the gate that had spikes on the top of the gate. And then, I walked into the graveyard and we walked deep in the fog. I could not see anything except mom and Freddy. The wind was blowing and the leaves were making a lot of noise. Then I saw big eyes that looked like an Alpha wolf. It was standing on a gravestone on four paws. It freaked me out and I said "Mom, Mom come on let's go." We started walking and it walked with us and I said, "Go Away, Go Away." It started walking away. I ran to my room and looked out the window and saw it again. It wasn't the wolf. It was standing on two legs with red eyes. That was my scariest time ever.

MRS. ANDERSON'S WRITING CLASS

"I AM UNNAMED"

WRITTEN BY WILLOW WOOD

My alarm screamed, jolting me awake. I killed it, and tried to remember what day it was: Monday, a school day. I groaned, got up, and did my morning routine. I put on my "Game Over" shirt, ripped black jeans, and my favorite red sneakers, because it's Mixed-up Monday. After I put them on, I went down to breakfast.

"Why aren't you in your uniform?" My little sister, Mia, asked in her uniform.

"It's Mixed-up Monday!" I said, shoving a buttered piece of toast into my mouth.

"Aww..."

"Bye!!!" I said, racing out the door. At the bus stop, I finished my toast and went to school. Once I arrived, I saw Zane in class. He was wearing a light blue tee-shirt, dark blue jeans, and white sneakers.

"Zak! Late again?! My teacher, Miss Zanthrobe, groaned.

Then she slammed a slab of extra work in front of me. Once I finished, I saw that Zane was waiting for me at the door.

"Why did you wait for me?! Now you're late!"

"Aren't you late too? I think you are." Zane snapped back. I groaned and grabbed his hand.

"Well, come on. If we hurry, I think we'll make it."

"Okay..." Then we went to art club and learned how to draw chibi. I drew a boy and named him Mini Guy. Then the last bell rang, so we went home. On the way, we saw the abandoned park. One of the swings moved back and forth and every time it moved back, it screeched very loudly. We shuddered, but kept moving. When we were about 20 paces from the park, I thought I saw a figure move from the left of the sidewalk to the right.

"No, I'm going crazy." I thought. Then Zane saw it.

"Woah! What was that?!"

"So I'm not going insane!" I said. Then it appeared in front of us. It stared at us and smiled in a funny way. Its head tilted like its neck was broken.

"W-w-w-who-" Zane stammered.

"Who are you?!" I screamed at it. Its voice was more high-pitched to begin with, but got more deep and gravely.

"I... AM UNNAMED!!!" Unnamed shouted. Me and Zane screamed, and Zane broke into a run with me close behind. We ran all the way to the street that divided mine and Zane's house. I asked Zane for a sleepover, only stopping twice to take a breath.

"Sure! Just let me ask my mom."

"M'kay." I waited.

"She said that it's fine."

“Cool. Let’s go to my house.”

“Mmm-hmm.” In my house, Mia was arguing with mom over bed time. I told her that Zane’s mom said that he could have a sleepover.

“That sounds fine.”

“Aww, why can’t *I* ever have a sleepover?!”

“Because *YOU* have to go to *bed*!!!” We went to my room and stayed up all night eating junk food and watching memes. At one point, we talked about Unnamed and I drew a sketch of him.

"Woah.that is really detailed,Zak."Zane remarked.

"I know. It scares me just by looking at it."I replied with a shudder, so I put it away and went to sleep. At 3:00 in the morning, I heard a banging sound that woke me up. Then I saw that Zane was awake.

"So,you hear it too?"

"Yeah!" My "Yeah!" echoed, but a breaking glass sound cut it off.

"I kNoW yOu'Re In HeRe!!!"Unnamed called out, followed by a deranged laugh.

"YoU cAn'T hIdE fRoM mE!!!" he shouted, making Zane whimper. Unnamed called out once more, which made Zane cry. Something in me snapped. I stood up.

"Zane, be safe. Go run home." I said in a sad, quiet, shaky voice. I beared a small smile.

"No, Zak, don't!!!" I broke into a run. In a couple of short seconds, I was in front of Unnamed.

"WhY,hElLo,MaIn AtTrAcTiOn!"

"What do you mean by that?!"

"WeLcOmE tO tHe cluRcUs oF tHe DeAd!!!" I didn't have any time to react. He picked up a long, sharp piece of glass off of the floor and stabbed it into my arm.

"Ahh!!!" I shouted. Then everything went dark. I had a strange dream and woke up in a circus tent with a start. I looked around and saw a figure that looked like Zane.

“ Zane!!! You’re here!!!!” I said, tearing up. I ran over to the figure, talking all about my encounter with Unnamed.

“But none of that matters now, because you’re here!!!!” I shouted at the end. But then once I got there I saw that it wasn’t Zane.

“No. Zane.” I said in a shaky voice. I collapsed in tears. Back in the real world, Zane HEARD Zak!!

“ I’m right here!!!!” Zane shouted in response.

“ *sigh* he doesn't hear me! ”He said to himself. Or so he thought.

“WhO’s ThErE?” Unnamed shouted, startling Zane. Unnamed went into Zak’s room and looked around. Zane hid under his sleeping bag and Unnamed almost found him. Then a dog was in Zak’s kitchen barking as loud as it could, almost like it’s at something.

“GrR... dAnG dOgS!”
