

Molly rushed downstairs and grabbed the money on the table that mother gave her.

"I won't be long Maria!" Molly shouted to Maria. Maria was Molly's older sister. She was a very kind woman even when no one was to her. Molly's mother was very ill and could not care for herself. Molly had to do all the shopping and housework.

"Well I'm off then, goodbye!". Molly was always scared when she went to the market, she was a very brave girl. But on her way she saw a little boy much younger than she was.

"Are you ok?" asked Molly. "Are you hurt?"

The little boy did not respond. *Ok just like mother said, Molly thought. Don't trust anyone in the village except for her and Maria.*

"I can't find my mommy," said the little boy.

"Can you please help?".

How could I say no to this little boy, he's so cute!

"Well, do you know where you live?" Molly said.

"No, I don't know," said the little boy.

"What's your name and how old are you?". Molly said.

"My name is Jason. And I'm three years old". Jason said.

"Well hello Jason, my name is Molly and I'm twelve, I will help you find your mother!".

So Molly and the little boy went off to the market to get some food. London was crowded and smelly so they had to go to the market as soon as possible. It was a very big city. It was full of the rich and not many were poor. Molly thought she was the only commoner there. Then they finally got to the market.

"I'm hungry" said Jason."

"I'm hungry too. But don't worry, I will get us some food". At the market they saw a strange creepy old man selling dolls. Another woman came by, she looked very wealthy.

"Mommy, is that you?" said Jason.

"Oh this is your mom? She looks very pretty!"

"Stop trying to be nice" Jason's mother said, Molly just ignored her.

"Filthy peasant, come on Jason dear".

"Goodbye Molly, have a good day!" said Jason.

"You too!" replied Molly.

"Well hello there little one" said a strange voice, it was the old man.

"Oh hi there! I did not see you," I said surprised

"Would you be interested in buying a doll?" said the old man.

"No I am very sorry but I came here to get food my mother-

but before Molly could finish the old man said

"for free". Molly thought, and thought, and thought some more.

"I will think about it" Molly said as she walked away. She finally came back to her small crowded home, and as soon as she opened the door she heard a voice

"MOLLY YOUR HOME ME AND MOTHER WERE SO WORRIED ABOUT YOU" Maria said.

"Maria, no need to yell, I was only gone for an hour!". But Maria didn't care, "Maria! You do this every single time! OWW YOUR CHOKING ME HELP".

"Well I better go check up on mother and tell her you're here. Oh and what's for dinner?" Maria said.

"I found potatoes and carrots at the market, so we are having soup." Maria left and Molly left to the kitchen to prepare some food. But something strange happened, there was a knock on the door. Molly went to answer.

" Well hello there young one!" said a familiar voice.

"Oh I remember you're the man from the market!".

"Say, are you still interested in getting that doll?".

" I told you I would think about it!"

" Now no need to be so angry it was only a question dear"

" Molly, I never knew you had friends!" said maria.

"No, he's just someone i saw at the market" Molly replied" I don't have any friends! I don't even know this person"

" wow! You finally got a friend!" *She never listens.*

" Nice to meet you!" the old man said, " it

"was Maria right? That's my second wife's name!"

" Nice to meet you too!" Maria replied." right after Maria said that a little boy came in. It was jason!

"Hello" Jason said.

"Oh my goodness, I feel like I haven't seen you in two months!" Molly replied. " you guys should join us for dinner".

"What do you think daddy?" Jason said.

" I think it's a great idea!" jason's dad replied

" Come in" Molly said" **I'M** making some chicken soup".

" you?" Jason's dad said "All alone, you must be a great cook then!"

"oh these recipes are not mine, my mother is the one who is the great cook!". So Molly went off to the kitchen to make dinner.

"Okay the food is ready!" Molly said.

"I'll go get mother" Maria replied. They all sat down at the table to eat.

"this is the best food i have ever eaten!" jason said

"agree" replied his father.

"I'm glad you enjoy it!" Molly said.

"oh and one more thing before we leave," the old man said" i have a present for you!" The old man passes Molly a doll.

"Here, just take it" the doll looked just like Molly. They left, *witchery* Molly thought. When it was is time for bed, Molly placed the doll carefully on her little table she had in her small cramped room. She woke up, she thought she had the lantern on but the room was so dark. Then she heard a girl's scared voice.

"Hello? Please don't hurt me!"

"What!? I'm not going to hurt you" molly replied

"That's what they all say" it went pitch black.

"lights out!" yelled a strange voice, but the lights would not stop flashing. Suddenly Molly felt like she was falling. Molly woke up (again), and it turns out it was all a dream. But this wasn't a normal dream. It was a nightmare. And this was no normal nightmare. It happened every single day. But, the nightmares changed every day too. One day the children were eating food, another day the guards came. This got so bad that Molly could not sleep. Her mother got so worried about her that she would ask every day how she was feeling. Maria started to notice that Molly was not feeling well. But one day the dream didn't end. The

guards gave them sewing kits and they had to make dolls in the next 24 hours. If they didn't succeed, they would be turned into dolls. First they would kill the kids and then make a doll out of them. Next they would put the doll one there rave. Last they would turn into the doll. Sometimes even worse. She saw what they did to the other kids, it was terrifying. Good thing sewing was one of the things her mom taught her. She finished the task. In fact, she enjoyed making the dolls. But many of the kids died. But one time she messed up, she tried to hide it. She tried to lie and say she lost it but the guards did not believe her. So they did what happened to the other kids. But, because she tried to lie, they did something different. This time, they killed her and then stuffed her body into the doll. Knock knock.

"Who could that be" mother said. I could still hear her. They dropped her doll off at Molly's house. My mother saw the doll.

"Molly! Come here, there is a doll that looks just like you" my mother said.

"Mother, I'm right here, y-you're c-choking me" Molly whispered. Mother didn't listen. But then she looked down.

"WHAT IS THIS! MY DEAR, WHY ARE IN A DOLLS BODY?!"

"long story, that old man did this, oh and i don't want you to go in my room". Mother still didn't listen. My deceased body was still on my bed.

"Woah, i have a big head".

"We need to get you back in that body!" mother said.

"But how?" I asked.

"We just need to cut you open and put you right in there!".
So mother started to slice Mollys body.

"Ow mother! That hurt, it still me"

"oh, where did you see the guy?"

"Market"

"time to kill an old man". So Molly and mother went to the market to kill, and get some food.

"Mother, that's him!"

"sit right her molly, i'll get him"

She's taking a while

Something strange happened, Molly just woke up.

"MOTHER ARE YOU OK? DID HE KILL YOU?"

"What's wrong dear? Oh yeah right, no need to thank me;)"

"THANK YOU THANK YOU THANK YOU!!!!!!!!!!!!!! Wait where's Maria.."

"Dont worry im right here" said Maria," mother told me all about it".

Halloween Writing

It all started after Halloween night. My mom finished my costumes, then we drove to a trunk or treat. We got lots of candy, I even won a contest. The contest prize was a toy skeleton. The skeleton was alive, we did not know. We got to the house, hung up the skeleton. Then we left to go trick or treating. The skeleton unhooked himself from the hook and chased people. When we got home from trick or treating, we didn't see the skeleton on the hook. Something touched my shoulder. I looked over my shoulder, and saw it. I grabbed the skeleton and threw it in the trash and locked the trash can up. It was a weird night.

Halloween Writing

Once upon the most frightening time I've ever experienced it was the most terrifying night of my life. I was going walking to my grandma and grandpa's house on a darkening, lightning, and thundering night. I was really soaked and then I started hearing weird loud noises in my grandparents neighborhood. So I ran quickly to my grandma and grandpa's house. When I opened their garage door it was locked so I knocked but no one answered. Then I called my grandparents. They said they weren't home but there is a key under the rocks on the side of the house. I got the key and unlocked it. When I opened it, the door made a petrifying noise which it never does.

I got in the house. Walked up the stairs. All of the lights were off besides my aunt's old room. I was really starting to get scared so I got a big swish of water before I explored. Then I went slowly into her room. I heard scratching noises. Because of the scratching that was coming through the wall I got startled and jumped back. I hid under a few blankets, suitcases, and air matrices. After I got out of my hiding spot I called my grandparents but they didn't answer. That's when I got super worried and nervous.

I took a long deep breath and one more big sip of water. I started walking towards the wall and heard louder and stronger scratches I gulped hard. I put my ear up against the wall and tried to find a way to break it. When I left the room I saw my grandparents' dogs stick. I grabbed it. After that I went back into the room. I pushed the wall and found a secret passageway.

Scary story

The ghost

There was once a man named Edward, who designed and built his own perfect house. He lived in it for many years until he eventually passed away. A new family soon moved in, but whenever they went into the basement—where Edward's personal study had been—they would get the feeling that someone was watching them. One day, the father of the new family decided to fix up an old jacket, which every tailor in town had told him was beyond repair. So, he went down to the old study, laid his jacket on a chair, and then tried to see if there was anything in the old desk that could help him mend it. But the drawers were all locked, and he couldn't find a key anywhere. The next morning, he came back down to find the key on the desk, all of the drawers open, and his jacket completely fixed.

The Monster

The new house

One day a family of four was moving to a new house. The house was cute and old. The family loved the new house but Mira the oldest daughter had a funny feeling about the new house.

The strange noise upstairs

They had some dinner in the new house and Mira still felt weird. Mom shouted "Everyone needs to go to bed early to night, it has been a long day." Mira went to the coach where her bed was for the night. Later on at exactly 12:00 pm there was a strange noise that sounded like Lia. Lia was Mira's little sister. Mira raced upstairs and came to see what was going on. When she got upstairs, there was nothing. She came to Lia's room and Lia was fast asleep.

LIA

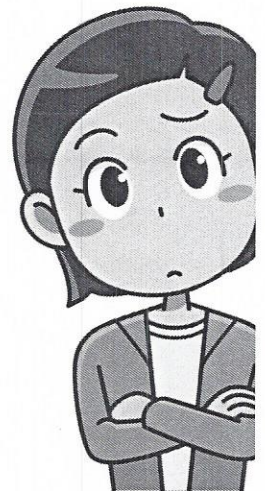

The next morning Mira told her mom and dad about the noise upstairs and they said, "It's probably just a dream." Mira knew they were probably right but she still felt like there was a monster upstairs. Mira thought she could go upstairs and go tell her sister Lia about it and scare her, but when she got upstairs Lia wasn't in her room so Mira rushed downstairs and told mom and dad about Lia. They walked up stairs and they didn't see Lia either so they just said, "she's probably just at the park a few doors down. Mira was frightened and she wanted to tell her friend Margret.

MISSING

Mira went to Margret's house and told her all about the noise and Mira believed her. Mira thought they could have a sleepover, and Mira asked Margaret and Margaret said yes. Margret was confused at first she did not believe Mira and thought it was a joke. Mira decided to go check the playground and Lia was not there and Mira rushed home to tell her mom and dad. When she got home she asked where Lia was and there answer was "who's Lia" they said confusedly.

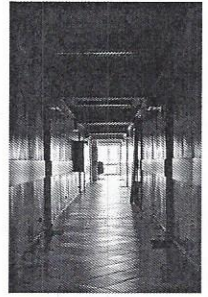

Sleepover

Tonight was the sleepover and Margret was here so we chilled and chilled until we heard a roaring sound upstairs. We raced upstairs and didn't see anything. So we went to go tell mom and dad about the sound and they got mad for waking them up. They sent us back to bed and we fell asleep. We actually survived the night and we were terrified in the morning

School Time

It was time for school and me and Margaret were relieved cause we thought school would take us away from the creepy business. We were both wrong in so many ways we heard roaring and whispering in the halls and we also felt gushes of cold, bitter air up our spine. After the day was over we went to my house. Margaret's parents got home late at night, so she had to stay at my house.

The real monster action

Margret and I sat on the couch and watched a movie. After about thirty minutes into the movie and... THE DOORBELL RANG! We jumped out of the couch and onto our feet. Thank the lord, it was brittney. Brittney is one of my best friends. We told her all about the strange activities in the house and she believed us. We finished the movie and... BRITTNEY GOT SNACHED OFF THE COACH!!!!!! Me and Margret raced out of the house and slammed the door shut. "There is definitely a monster in your house" cried Margret. When I got out my phone my mom called me before I could. She screamed "WERE MOVING" and then hung up immediately. I was relieved and uneasy at the same time. When we got to the new house Lia and Brittney were back.

IT WAS 7:36 PM. CHAN ARRIVED AT HIS NEW HOUSE. CHAN'S NEW HOUSE WAS A 2 STORY HOUSE. IT WAS TAN AND THE FRONT AND BACKYARD HAD GOOD AND FLAT GRASS. 2 DAYS LATER WHEN CHAN AND HIS PARENTS WERE SETTLED CHAN ASKED HIS MOM IF HE COULD GO OUTSIDE. CHAN'S MOM APPROVED, CHAN WAS SO EXCITED BUT HE IS ALSO NERVOUS TO MEET NEW FRIENDS. CHAN WAS ALWAYS THAT FRIEND THAT LISTENS AND HELPS YOU OUT. CHAN WENT TO THE NEAREST PARK, IT LOOKED LIKE A WATER PARK BUT INSTEAD OF THE FLOOR BEING WATER, IT WAS ROCKS.

"YOU'RE IT NOW TIM!!" SAID DAN.

"CAN I PLAY WITH YOU GUYS?!" CHAN SAID.

"SURE" SAID ISAIAH,

OUR FRIENDSHIP GREW AND 2 MONTHS LATER DAN INVITED ME AND THE OTHERS TO AN OLD ABANDONED HOUSE NOBODY KNOWS.

BEFORE IT GOT DARK WE WENT TO THE OLD HOUSE DAN TOLD US. THE HOUSE WAS SO OLD AND EVERY STEP YOU TAKE INSIDE THE HOUSE, THE FLOORBOARD CREAKS AND IT'S REALLY CREEPY.

"SO WHY ARE WE DOING THIS ANYWAYS" SAID TIM, "BECAUSE THE OLD OWNER DIED IN HERE 10 YEARS IN THIS HOUSE AND BESIDES, THIS IS GONNA BE FUN" SAID DAN, "YEAH YEAH LET'S GET THIS OVER WITH YOU PHYCOS" SAID ISAIAH ANGRILY.

WE LOOKED AROUND THE HOUSE WHILE DAN WAS TURNING ON HIS GHOST DETECTOR. "YOU GUYS CHECK THIS OUT" I YELLED, IT WAS A PICTURE OF A PERSON AND HIS DOG. WE HEARD A GROWLING SOUND FROM SOMEWHERE BUT WE DIDN'T KNOW WHERE IT WAS.

"OK LET'S SPLIT UP INTO 2 MAN TEAMS" I SAID. "ISAIAH'S WITH ME," SAID TIM.

"ALRIGHT, LET'S GO UPSTAIRS DAN" I SAID WE LOOKED AROUND UPSTAIRS UNTIL, "GRRRRR", ME AND DAN LOOKED BEHIND AND THERE WERE RED FLASHING EYES, WE JUMPED DOWN THE STAIRS NOT EVEN RUNNING DOWN.

"GUYS WE HAVE TO GET OUT OF HERE!!" I YELLED, "WE HAVE A BIGGER PROBLEM THAN THAT" SAID ISAIAH, "WHAT!!" I SAID, "TIM IS POSSESSED," SAID ISAIAH.

"WELL WHERE IS HE?!" DAN SAID, "HE RAN AWAY WITH WHITE EYES, THAT'S WHY I KNOW HE IS POSSESSED." ISAIAH SAID.

WE LOOKED AROUND BUT WE COULDN'T FIND HIM UNTIL HE CAME OUT HIMSELF, "LEAVE THIS HOUSE NOW!" SAID THE GHOST INSIDE TIM, "WE ARE NOT LEAVING UNTIL YOU LEAVE TIM'S BODY!" I SAID. TIM'S BODY FELL ON THE GROUND, I KNELT DOWN TO HELP TIM GET UP BUT HE CHOKED ME, HIS HANDS FELT SO COLD AND THE SMELL OF A DOG. I WAS LOOKING KINDA PURPLE, "LET HIM GO!!" BOTH SAID.

HE LET ME GO AND WE TRIED TO RUN OUT OF THE HOUSE BUT WE COULDN'T, THE DOOR WAS LOCKED BUT IT WOULDN'T OPEN, WE TRIED TO GO TO THE BACKDOOR BUT IT WOULDN'T OPEN. ISAIAH WENT TO LOOK FOR A HAMMER, "OK, WHILE ISAIAH IS LOOKING FOR A HAMMER LET'S LOOK FOR A FLASHLIGHT" I SAID. THE LIGHT WAS FADING AND THE DARK WAS COMING. WE HAD TO THINK OF SOMETHING FAST BECAUSE WE DON'T KNOW WHAT'S GONNA HAPPEN TO US.

WE RUSHED THROUGH THE WINDOW AND BROKE IT. WE ALL HAD TO LEAVE TIM FOR OUR OWN SAFETY. WHEN WE GOT BACK IN OUR NEIGHBORHOOD WE JUST TOLD TIM'S PARENTS THAT HE GOT LOST PLAYING WITH US IN THE WOODS. IT'S BEEN 3 YEARS SINCE TIM IS GONE, WE REGRET WHAT WE HAVE DONE. SOMETIMES I GET NIGHTMARES ABOUT TIM HURTING ME AGAIN AND AGAIN. IT WAS 9:00 AM IN THE MORNING. I WAS THINKING ABOUT GOING BACK TO THE HOUSE WHERE TIM WAS POSSESSED, I WAS THINKING I SHOULD BRING DAN SINCE IT WAS HIS FAULT WE WENT THERE. I COULDN'T HELP IT, I HAD TO GO BACK. I CALLED DAN AND HE SAID HE IS BABYSITTING HIS COUSINS. I BROUGHT A FLASHLIGHT AND HOLY WATER FROM MY UNCLE WHO USED TO BE A PRIEST. WAS NEAR THE HOUSE AND I'M STARTING TO GET DOUBTS.

"HERE GOES NOTHING, HOPEFULLY" SAID CHAN.

I OPENED THE DOOR AND ALL THE SUDDEN IT GOT COLD, I STARTED GETTING SHIVERS. WHEN I GOT INSIDE THE HOUSE THE DOORS BEHIND ME SLAMMED.

"TIM, IF YOU'RE HERE PLEASE SAY SOMETHING," CHAN SAID.

I HEARD FOOTSTEPS BEHIND ME AND THE SOUND WAS GETTING CLOSER TO ME, I TURNED MY FLASHLIGHTS ON AND LOOKED BEHIND ME. IT WAS THE MOMENT I KNEW, I MESSSED UP. THERE WERE RED FLASHING EYES, IT LOOKED LIKE IT WAS DOG'S EYES, STANDING NEAR IT WAS A TALL GUY WITH WHITE EYES.

"TIM?!"

"TIM'S NOT IN HERE ANYMORE YOU LITTLE BRAT!"

I THREW THE HOLLYWATER ON TIM'S BODY. TIM'S BODY WAS MOVING LIKE CRAZY THEN THE GHOST STARTED TO TALK.

"LET ME GO YOU, AND LEAVE ME ALONE" YELLED THE GHOST INSIDE TIM'S BODY.

TIM STARTED GETTING RED SPOTS ON HIS BODY BUT A FEW MOMENTS LATER THEY WERE GONE AND TIM TALKED LIKE A NORMAL PERSON.

"TIM IS THAT REALLY YOU?!"

"WHO WOULD IT BE DINGUS!"

"YOUR BACK! I YELLED

WHEN WE GOT HOME TIM'S PARENTS WERE SURPRISED, A FEW WEEKS LATER TIM'S PARENTS HAD A PARTY FOR TIM COMING BACK. I JUST TOLD TIM'S PARENTS THAT WHILE I WAS WALKING IN THE WOODS I FOUND HIM. TODAY I'M HAPPY BECAUSE TIM'S BACK, BUT SOMETIMES HE CREEPS ME OUT BECAUSE HE
