SECTION 2. Findings and Determinations. The Board of Education (the “Board”) of School District of Beaufort County, South Carolina (the “School District”), hereby finds and determines:

(a) Pursuant to Act No. 582 (1971 Acts), the central authority of Beaufort County’s education system is vested in the Board of Education (the “Board”). The Board is ex officio the board of trustees of the School District of Beaufort County (the “School District”), and all functions and powers vested in school district trustees by general or special enactment are vested in the Board.

(b) Article X, Section 15, of the Constitution of the State of South Carolina, 1895, as amended (the “Constitution”), provides that after November 30, 1982, the governing body of any school district may incur general obligation debt in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such school district and upon such terms and conditions as the General Assembly may prescribe.

(c) The Bond Act provides that the board of education of any school district may issue general obligation bonds of such school district for the purpose of defraying the cost of “capital improvements” (as defined therein) to any amount not exceeding the constitutional debt limitation applicable to such school district. The Bond Act requires that the County Board of Education wherein the School District is located, if there is such, to approve the issuance of such bonds.

(d) Section 11-27-50(2) of the Bond Act further provides that if an election be prescribed by the provisions of the Bond Act but is not required by the provisions of Article X of the Constitution, then in every such instance, no election need be held and the remaining provisions of the Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions. Section 11-27-90 of the S.C. Code further provides that any school district of the State may issue bonds in fully registered form.

(e) The School District’s Financial Advisor, Compass Municipal Advisors, LLC (“CMA”) has advised the School District that the South Carolina Association of Governmental Organizations (“SCAGO”) has been formed to facilitate one or more pooled borrowing programs including a pooled general obligation debt program (the “SCAGO GO Program”) for school districts in the State. Each

participating school district in the SCAGO GO Program will have its general obligation debt (“GO Debt”) sold together with GO Debt issued by the other participating school districts in order to achieve a lower net interest cost and lower issuance costs associated with its GO Debt. Pursuant to the terms of the SCAGO GO Program, SCAGO will cause the execution and delivery of the SCAGO Certificates pursuant to the SCAGO Trust Agreement.

(f) The School District previously has entered into the Installment Agreement with SCAGO Educational Facilities Corporation for Beaufort School District (the “Corporation”) pursuant to which the Corporation agreed to sell the 2016 Facilities (as defined in the Installment Agreement) to the School District upon payment by the School District of Installment Payments (as defined in the Installment Agreement and including Base Payments and Additional Payments). Such Installment Payments are payable on or before the 15th day prior to each June 1 and December 1, and each payment of Installment Payments is in consideration for the conveyance of title to the School District of an undivided interest in the 2016 Facilities.

(g) Pursuant to a Resolution adopted by the Board on June 5, 2012, the School District has adopted Written Procedures Related to Tax-Exempt Debt.

(h) The assessed value of all taxable property in the School District as of June 30, 2015, is \$1,705,780,158. Eight (8%) percent of such sum is \$136,462,412. The outstanding general obligation debt of the School District subject to the limitation imposed by Article X, Section 15(6) of the Constitution is \$88,747,621. Thus, the School District may incur \$47,714,791 of additional general obligation debt within its applicable constitutional debt limitation.

(i) It is in the best interest of the School District to participate in the SCAGO GO Program and to provide for the issuance and sale of the Bonds of the School District pursuant to the aforesaid provisions of the Constitution and laws of the State in the principal amount of not to exceed \$3,000,000 for the purposes of providing funds to acquire school facilities, to fund capital projects, if any, and to pay costs of issuance of the Bonds.

SECTION 3. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued a not exceeding \$3,000,000 general obligation bonds (the “Bonds”) of the School District to obtain funds for the purposes mentioned in Section 2(i) above, including any financial and legal fees relating thereto and other incidental costs of issuing the Bonds. The Bonds will be issued in one or more series, each with an appropriate series designation, with one of the series of Bonds being designated as a taxable bond.

Each of the Bonds shall be issued as a single fully-registered Bond; shall be dated as of the date on which each Bond is delivered to the initial purchaser thereof or such other date as the District Superintendent determines; shall be in denominations equal to the respective par amount of each Bond not exceeding \$3,000,000 in the aggregate; shall bear interest (calculated on the basis of a 360-day year comprising twelve 30-day months) from their respective dates payable on the maturity date thereof, at such rate as may be determined by the District Superintendent at the time of the sale thereof; and shall mature on such dates as determined by the District Superintendent.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts. The School District is hereby designated as the Registrar and Paying Agent for the Bonds.

SECTION 4. Redemption Provisions. The Bonds shall not be subject to redemption prior to their stated respective maturities.

SECTION 5. Authority to Determine Certain Matters. For each series of Bonds, the District Superintendent is authorized to: (a) determine the par amount of the Bonds; (b) determine the original issue dates of the Bonds; (c) designate the Paying Agent and Registrar for the Bonds if different from that set forth herein; (d) determine the date and time of sale of the Bonds; and (e) receive bids on behalf of the School District and award the sale of the Bonds in accordance with the terms of the Notice of Sale for the Bonds.

SECTION 6. Registration, Transfer and Exchange of Bonds. The School District shall cause the Books of Registry to be kept at the offices of the School District, as Registrar, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose, the Registrar shall register or transfer, or cause to be registered or transferred, on such Books of Registry, the Bonds under such reasonable regulations as the Registrar may prescribe.

The Bonds shall be transferable only upon the Books of Registry of the School District, which shall be kept for such purpose at the principal office of the School District, as Registrar, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond, the School District, as Registrar shall issue in the name of the transferee a new fully-registered Bond of the same aggregate principal amount, interest rate and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar.

The School District, as the Registrar and the Paying Agent may deem or treat the person in whose name the fully-registered Bond shall be registered upon the Books of Registry as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes; and all such payments so made to any such registered owner or upon his order and shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the School District, as the Registrar and the Paying Agent, shall not be affected by any notice to the contrary. In all cases in which the privilege of transferring the Bond is exercised, the School District shall execute and the School District, as Registrar shall authenticate and deliver the Bond in accordance with the provisions of this Resolution. The School District, as the Registrar and the Paying Agent, shall not be obliged to make any such transfer of the Bond during the fifteen (15) days preceding the maturity date on the Bond.

SECTION 7. Form of Bonds. The Bonds shall be substantially in the form attached hereto as Exhibit A and incorporated herein by reference, subject to such changes, additions or deletions as may be approved by the District Superintendent.

SECTION 8. Execution and Delivery of the Bonds. The Bonds shall be executed in the name of the School District with the manual or facsimile signature of the Chair or Vice Chair of the Board attested by the manual or facsimile signature of the Secretary of the Board under the seal of the School District which shall be impressed, imprinted or reproduced thereon. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. The Bonds shall bear a certificate of authentication manually executed by the School District, as Registrar, in substantially the form set forth herein.

The School District Representatives are further authorized and directed to deliver the respective Bonds upon the terms and conditions provided herein and under the SCAGO GO Program, to receive or cause to be received the proceeds of the sale of the respective Bonds, to execute and deliver such certificates and other closing documents and take such other action as may be necessary or appropriate in order to effectuate the proper issuance, sale and delivery of the respective Bonds.

Each participating school district in the SCAGO GO Program will be the issuer of its respective GO Debt and undivided proportionate interests therein will be evidenced by the SCAGO Certificates executed and delivered under the SCAGO Trust Agreement. The Board approves and consents to the assignment and pledge of the Bonds under the provisions of the SCAGO Trust Agreement and approves the execution and delivery by the trustee of the SCAGO Certificates upon payment of the purchase price thereof, all as contemplated by the SCAGO GO Program.

SECTION 9. Sale of Bonds; Form of Notice of Sale. The respective Bonds shall be sold at public sale, after advertisement of the sale in a newspaper having general circulation in The State or, as determined by the District Superintendent, upon the advice of CMA, in a financial publication published in the City of New York or, in the discretion of the District Superintendent, in both publications. The Notice of Sale shall be in substantially the form set forth as Exhibit B.

SECTION 10. Deposit and Use of Proceeds. (a) Upon the purchase and delivery of the GO Debt, at the direction of the Beaufort County Treasurer (the "County Treasurer"), the amount of proceeds needed to make the Installment Payments under the Installment Agreement shall be deposited with the Trustee and held in the appropriate fund or account created pursuant to the Amended and Restated Trust Agreement between Wells Fargo Bank, N.A. and SCAGO Educational Facilities Corporation for Beaufort School District to be dated September 8, 2016. It shall be the duty of the Trustee to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest thereon solely for the purpose of making Installment Payments. The portion of the proceeds of the Bonds to be applied to costs of issuance may be paid as determined by a School District Representative.

(b) Upon the purchase and delivery of the GO Debt, the amount of proceeds not needed for the Installment Payments and costs of issuance derived from the sale of the GO Debt, if any, shall be deposited with the County Treasurer in a special fund to the credit of the School District and shall be applied solely to the purposes for which the GO Debt has been issued, including payment of costs of issuance or at the direction of the County Treasurer, the proceeds derived from the sale of the GO Debt, less costs of issuance, shall be deposited into an acquisition fund in the name of School District of Beaufort County, South Carolina to be known as the "School District of Beaufort County, South Carolina, General Obligation Bond, Series 2016 Acquisition Fund" (the "Acquisition Fund"), which shall be established under the SCAGO Trust Agreement. The School District may withdraw amounts from the Acquisition Fund on the date of delivery of the GO Debt and thereafter on any business day. "Business Day" shall mean any day except Saturday, Sunday or a holiday.

(c) The costs of issuance of the Bonds shall, at the direction of the County Treasurer, be deposited in the Costs of Issuance Account of the Expense Fund created pursuant to the SCAGO Trust Agreement or may be paid as determined by a School District Representative. Any remaining proceeds shall be applied for any purposes authorized by the Board of the School District.

(d) Disbursements from the Acquisition Fund and the Expense Fund (as defined in the Trust Agreement) shall be made upon the written order of a School District Representative or the County Treasurer, as designated on the appropriate form solely for the purpose for which the GO Debt was issued.

SECTION 11. Security. The full faith, credit, resources and taxing power of the School District are hereby irrevocably pledged for the payment of the principal and interest on the Bonds as they respectively mature and for the creation of such sinking fund as may be necessary therefor. There shall be levied annually by the Beaufort County Auditor (the “County Auditor”) and collected by the County Treasurer in the same manner as county taxes are levied and collected, a tax, without limit, on all taxable property in the School District sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

The County Auditor and the County Treasurer shall be notified as to the delivery of and payment for the Bonds and are hereby directed to levy and collect, respectively, on all taxable property in the School District, a tax, without limit, on all taxable property in the School District sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 12. Sinking Fund; Payment of Bonds. The School District covenants that it will deposit or cause to be deposited into the applicable sinking fund, and the County Treasurer is hereby authorized and directed to deposit or cause to be deposited into such sinking fund payments relating to the Bonds on or before their respective maturity dates. The County Treasurer, on behalf of the School District and at the written direction of a School District Representative, shall transfer or caused to be transferred from time to time any moneys then on deposit in the sinking fund to the trustee under the SCAGO Trust Agreement.

SECTION 13. Federal Tax Covenants. The School District hereby covenants and agrees with the holders of the Tax-Exempt Bond that it will not take any action which will, or fail to take any action which failure will, cause interest on the Tax-Exempt Bond to become includable in the gross income of the bondholders thereof for federal income tax purposes pursuant to the provisions of the IRC and the regulations promulgated thereunder in effect on the date of original issuance of the Tax-Exempt Bond and that no use of the proceeds of the Tax-Exempt Bond shall be made which, if such use had been reasonably expected on the date of issue of the Tax-Exempt Bond would have caused the Tax-Exempt Bond to be an “arbitrage bond” as defined in the IRC and to that end the School District shall:

- (a) comply with the applicable provisions of Section 103 and Sections 141 through 150 of the IRC so long as the Tax-Exempt Bond is outstanding;
- (b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required arbitrage rebates of certain amounts to the United States; and
- (c) make such reports of information at the time and places required by the IRC.

SECTION 14. Exemption from State Taxes. Both the principal of and interest on the Bonds shall in accordance with the provisions of Section 12-2-50 of the S.C. Code be exempt from all State, county, municipal, school district, and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 15. Events of Default. The School District agrees that each of the following events may be considered an “Event of Default” under the SCAGO Trust Agreement:

- (a) If default shall be made in the due and punctual payment of principal of or any interest on the Bond, including failure to make when due a sinking fund payment under Section 12 of this Resolution; or

(b) If the School District shall default in the performance of any covenant, agreement or condition on its part to be performed under the Bonds or this Resolution other than a default in payment, and such default shall continue for a period of 30 days after written notice thereof is received by the School District.

SECTION 16. Remedies. The School District agrees that each of the following may be included as remedy for an “Event of Default” under the SCAGO Trust Agreement:

(a) In any case of an Event of Default, the trustee under the SCAGO Trust Agreement may take such action or actions for the enforcement of the rights of the owners as due diligence, prudence and care would require and to pursue the same with like diligence, prudence and care, including commencement of an action for mandamus or other appropriate action to require the School District to comply with the terms of this Resolution.

(b) If the School District shall fail or refuse to make any required deposit on the relevant sinking fund payment date in order to make the transfer to its applicable Sinking Fund Account, the trustee under the SCAGO Trust Agreement, shall take such action as is necessary to invoke the provisions of Section 59-71-155 of the S.C. Code regarding transfers from the State general fund to make payments on bonded indebtedness of South Carolina school districts; and upon being indemnified against cost and expense, exercise any remedy at law or in equity for the benefit of the owners of the SCAGO Certificates, and shall disburse all funds so collected to the holders of the SCAGO Certificates or assignee of the Bonds.

SECTION 17. SCAGO. The School District hereby authorizes SCAGO to facilitate the sale of the respective Bonds together with other GO Debt issued by other participating school districts in the SCAGO GO Program as determined by SCAGO.

SECTION 18. Acknowledgement of SCAGO Certificates; Registered Owner; Limitation of Liability. The School District, by participating in the SCAGO GO Program, recognizes the rights of the owners of the SCAGO Certificates, acting directly or through the trustee under the SCAGO Trust Agreement, to enforce the obligations and covenants contained in the Bonds and this Resolution; provided that in no event shall the School District be liable for any obligations, covenants or damages except those which arise out of the Bonds authorized by this Resolution, and, in particular, the School District shall not be liable for any obligations, liabilities, acts or omissions of SCAGO or any other participating school district in the SCAGO GO Program.

SECTION 19. Discharge of Resolution. If the School District shall pay or cause to be paid, or there shall otherwise be paid, to the owner or owners of a SCAGO Certificate, the total principal and interest due or to become due thereon through maturity (as determined in accordance with the Trust Agreement), in the manner stipulated therein and in this Resolution, then the pledge of the full faith, credit and taxing power of the School District under this Resolution, and all covenants, agreements and other obligations of the School District hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied with respect to the Bonds for which such payment was made.

SECTION 20. Filings with Central Repository. In compliance with Section 11-1-85 of the S.C. Code, the School District covenants that it will file or cause to be filed with a central repository for further availability in the secondary bond market when requested: (a) a copy of the annual audit of the School District within thirty (30) days of the School District's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which, in the opinion of the School District, adversely affects more than five percent (5%) of the School District's revenue or its tax base.

SECTION 21. Declaration of Intent to Reimburse Certain Expenditures. This Resolution shall constitute the School District's declaration of official intent pursuant to Regulation §1.150-2 of the IRC to reimburse the School District from a portion of the proceeds of the Tax-Exempt Bond for expenditures it anticipates incurring (the "Expenditures") with respect to the projects set forth in Section 2(i) hereof prior to the issuance of the Bonds. The Expenditures which are reimbursed are limited to Expenditures which are: (a) properly chargeable to a capital account (or would be so chargeable with a proper election or with the application of the definition of placed in service under Regulation §1.150-2 of the IRC) under general federal income tax principals; or (2) certain de minimis or preliminary Expenditures satisfying the requirements of Regulation §1.150-2(f) of the IRC. The source of funds for the Expenditures with respect to these projects will be the School District's reserve funds. To be eligible for reimbursement of the Expenditures, the reimbursement allocation must be made not later than 18 months after the later of (a) the date on which the Expenditures were paid; or (b) the date such projects were placed in service, but in no event more than three (3) years after the original Expenditures.

SECTION 22. Authorization. The Chair of the Board, the Vice Chair of the Board, the Secretary of the Board, the District Superintendent and the Chief Operational Services Officer of the School District, are fully empowered and authorized to take such further action and to execute and deliver such additional documents and certificates as may be necessary to effect the issuance of the Bonds. The Board hereby retains McNair Law Firm, P.A., as Bond Counsel and Compass Municipal Advisors, LLC as Financial Advisor with regard to the issuance of the Bonds. The District Superintendent is further authorized to execute such contracts, documents or engagement letters as may be necessary and appropriate to effectuate these engagements.
