## General Fund Revenues

- General Fund revenues received are reported at 82% (FY15 revenue collections were 85%):

### Local Revenues

- Local property tax collections at the end of the 3rd quarter FY16 are reported at 92.8% while FY15 are 98.5%. Typical collections at this time of year are between 96% and 98.5%. This low collection amount could be caused by a number of issues. At this point in the year, this low collection rate is indicative of an overall collection shortfall and could cause the use of fund balance at year end. Staff continues to work with County officials to monitor.
- The Tax Anticipation Note (TAN) of \$16,000,000 was drawn down in the Fall and repaid by the end of February 2016. A rebate of \$72,000 was received in April, bringing the total interest costs to \$40,000, a budgetary savings of \$15,000.

### State Revenues

- State revenues are 63.2% at the end of the 3rd quarter; prior year collections were 64.9%. Reductions in Retiree Insurance and EFA allocations account for the reduction in State revenues.

### Federal

- Federal revenues are 48.8% at the end of the 3<sup>rd</sup> quarter; prior year collections were 61.8%. E-rate revenues make up federal revenue sources. Payments are based on an application process. Year-end e-rate collections are expected to be 100%.

## **General Fund Expenditures**

- Total spending is reported at 63.5% of the budget; prior year's spending was 64.3%.
  - Salary budgets and spending include the first half of locality supplements. The remainder will be paid in May. This distribution impacts both the instructional and support areas.
  - By the end of the 3rd quarter, **instructional** spending in the General Fund amount to 60.7% of the annual budget. Prior year spending was 61.2%. In addition to the locality supplement payout, the decrease in spending compared to last year is as a result of vacancies in classroom positions. It is anticipated we will have a \$1.3 million surplus at year end due to these unfilled positions.
  - **Support** programs reported spending of 67% of the budget in FY16. Prior year spending was 67.9%.

## **Other Funds**

### **Special Revenue and EIA Fund**

- Decreases in revenues are due to the elimination of Gift and Talented Funding and Lottery funding. Federal funds reduced due to the timing of claims filed. In addition, the TAP program was discontinued at the end of FY14. Final payouts were made in FY15, causing a reduction in federal revenues and salaries in FY16.

### **Capital Projects Fund**

- Expenditures are up by \$3.2 million from the prior year due to construction of May River High School.

### **School Food Service Fund**

- Federal USDA revenues increased due to a rise in the number of CEP (Community Eligibility Program) schools. Three CEP schools were added in the current fiscal year.
