Please send all notices received by the district that would satisfy the following portion of Sc Code Of Laws that is underlined

59-40-50 (B)(10) be subject to the Freedom of Information Act, including the charter school and its governing body. A board of directors of a charter school shall notify its sponsor of any regular meeting of the board at least forty-eight hours prior to the date on which it is to occur;

Mr. Dunkle-

Please feel free to suggest different search criteria, or refine your query, to narrow the scope of your request. The Beaufort County School District provides academic support to Riverview Charter School. Your request for "All notifications of meetings" will include such things IEP meetings, meetings regarding student achievement, etc. and will require heavy redaction.

I have no clerical support. I am the only one who responds to FOIA requests.

Hi Jennifer,

Is it the district's position that emails from RCS notifying the district of meetings would require redaction? You can't be serious.

I'm well aware of how the district email system works, and it would take 15 mins to pull the emails.

And the lowest paid employee that can perform this work is paid nearly \$40 an hour?

I'm requesting you reconsider the fees, and if needed let me know who to talk with to have them waived.

Joey
