Ms. Jackson-

Your request has returned 1,010 e-mails. In accordance with S.C. Code Ann. 30-4-30(B), the BCSD estimates search, retrieval, and redaction, if necessary, of documents to respond to your request will require 10.1 hours, for an estimated cost of \$405.21, plus 6 cents per copy. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to my attention.

FOIA is for the production of existing public documents, which includes employee email, both current and former. Student records, however, are not public documents and all student records must be removed from public documents before they are released. Teacher emails typically contain extensive student documentation which must be redacted before release to the public. All FOIA responses of public documents released by the BCSD are posted on our website.

Ms. Staton, I have completed the form but the document did not state what emails. I am a former employee during the 2017-2018 school year. I am seeking my emails (Robin Jackson) from August 7-August 25, 2017 and then emails from April 16, 2018-May 18, 2018.

Thank you!

Robin Jackson
