

Paul Brophy

Objective

I enjoy working with people and I have sales skills. I consider myself to have dabbled in many different jobs throughout my life and succeeding at all of them. I get along with people. I make up for any lack of skills through my ability to take direction and learn quickly. I am always looking to challenge myself in different ways.

I have 32 years of experience owning a business, a tree care service. The business was in New York then relocated to Hilton Head Island, South Carolina. I was a certified arborist for 20 years.

I worked for the City of Savannah as a bucket truck operator.

Operator of tree moving equipment for a small business owned by Woody Morris.

I was a technician at Orkin Pest Control for 16 months.

Experience

Member of the Lions' Club for 10 years.

Member of the States Forestry Commission for 15 years.

Member of the Unitarian Universalists of the Lowcountry (20+ years).

Orkin Pest Control Company

Service 15-18 different customers per day. Driving throughout Beaufort/Charleston county. Repaired equipment/ engines. Routine services on pick up trucks.

Woody Morriss Tree Service

Manual labor. Transplanted large trees in the Lowcountry area.

Education

Graduated Free Port High School.

I went to various colleges before starting my own business at 20 years old.

Savannah Tech- Certified Nursing Assistant (2012)
