Good morning Kaylee. Now that the protest period is over is there any chance I can get the scoring information from the evaluation committee so we can see how we did against our competition? We would also like to know what the winning bid amount was for as this will help us in future bidding of this nature.

Thanks so much!

Thank you so much Kaylee. I will reach back out in a couple of weeks.

A debriefing would be awesome as well. Either way.

Kaylee,

Is there any chance to get a copy of any shore sheets to see how we did as well as to show us where we might need to improve? If those aren't available can you at least tell me how much MGT bid the project for as this will help us in bidding similar projects again in the future?

Thanks so much!
