Subject: Re: Achievement Gap

I would like to point out; not all board members tolerated Ms. Cordray's unacceptable bullying behavior Lyn. In my opinion, Ms Cordray was empowered by Campbell, Anderson, Kinton, Payne and Gregory. Hopefully Ms. Anderson and Ms. Gregory will not be returned to the board by the electorate in their respective districts. Representatives Dowling, Gwozdz and Orischak were out-gunned by numbers, but hardly out-flanked.

As to the stalking...what an embarrassment to the entire community.

Yes, Marys poor performance as Board Chairperson, manipulator school board member is a matter of public record and add to that her public stalking situation contributed greatly to the present situation this board and school district are in. The word "power" the newspaper used to describe Mary demonstrates how poorly the other school board members operated and allowed this to happen.
Things will now change to end this political ego feeding soap opera saga The entire school district and community deserves better.

Hi Lyn,

Let's not give all the credit to Jeff Moss for academic deficiencies, burning through construction money by skirting taxpayer approval and having no clue as to what it would take to restore majority public confidence for further school construction finance. Superintendent Moss was enabled by his posse of Mossketeers, who for the most part will be replaced at the end of the year.

Remember the infamous 'grade floor program' that prevented all students from failing? I would bet money the grade floor program, that haunts struggling students today, had Chairman Earl Campbell's full support. As a reminder, two decade board veteran and current chair Campbell is still being manipulated by one of Moss' chief enablers.

I also look forward to new school district leadership; driven by a behavior of achievement, financial oversight, honesty and integrity, along with a new Superintendent...aided by veteran school board members Dowling, Gwozdz and my personal hero JoAnn Orischak. I look forward to, and support Mr. Dunkle being returned to the board by the constituency in Dist. 4.

Let us hope the electorate in Districts 2,3,4,5,7,8 & 10 choose wisely in November, and that new board leadership will consist of experienced board members Dowling, Gwozdz and Orischak.

Earl,
Am I missing something here? Why are you purposely delaying the release of the HYA contract to BOE members? Not everyone's schedule is ideal for reviewing the document on Monday or Tuesday during business hours. How can I as a voting member of the Ad Hoc Search Firm Committee make an informed and educated recommendation to the rest of the BOE on this important contract if I am not given appropriate time to review?

I can see no advantage of delaying its distribution to the BOE.

Tonya and Herb,

Follow up on point #1 below:

The 2014 AASA Conference dates were February 13-15 in Nashville, TN. The ERDI Winter Conference dates were February 15-18 in Nashville, TN. The only P-Card charges noted on the attached document are from the dates 2/17 and 2/21. The AASA had already concluded, so these charges are solely associated with ERDI. In fact, there are no charges listed that pertain to AASA and correlate with the dates of that conference. What proof do we have that Dr. Moss even attended the AASA Conference?

Perhaps another call to the folks at AASA could confirm this. I spoke with the gal that plans the AASA conventions yesterday. They have no record of Dr. Moss attending an AASA event in the summer of 2016, so it is wholly possible he didn't attend the AASA Conference in February 2014 either.

Just wanted to clarify these points before I proceed.

Tonya and Herb,

Per the attached document, there were three ERDI-related travel expenses that were presumably associated with AASA conference(s). Here's why at least two of the three are not applicable:

1) Checking on currently. Will circle back with what I find out. . . .

2) The 2015 Winter ERDI Conference dates were February 18-21. This conference was held in Newport Beach, CA. Dr. Moss charged the BCSD for a cab on 2/19 while attending this conference. The 2015 AASA Conference dates were February 25-28. This conference was held in San Diego, CA, which is 90.5 miles (roughly 1.5 hours) from Newport Beach.

In the attached document, the 2/19 cab fare was documented as an ERDI expense. There were also three charges dated 3/2 documented as AASA charges. Neither set of charges is associated with the other. The ERDI and AASA charges are clearly separate and distinct.

3) According to the folks at AASA, there were no AASA Conferences in the summer of 2016 that were in St. Louis, MO (where the ERDI conference was) and that Dr. Moss took part in.

Let me know if you have any questions.

RE: ERDI Related Travel for Dr. Moss and Dr. Rhoads

JoAnn,

In response to your request in early August regarding ERDI related travel for Dr. Moss and Dr. Rhoads, I have a summarized the details in a single document for your review. Dr. Moss' ERDI expenditures total $1,132.93 from 2/1/13 to 7/31/18 as shown in the attached file. Through extensive research on Dr. Rhoads' travel, my staff and I have found no evidence of any travel expenses related to ERDI back to 2013. A review of all PCard and check copies was included in the search.

Thank you,

Tonya
