Dear Directors of Sport / Heads of PE,

BSME U11 Netball Tournament

We are delighted to confirm that Dubai English Speaking School (DESS) will be hosting the BSME U11 Netball Tournament on **Friday 14th January 2022**. The tournament will be held at their secondary campus, [Dubai English Speaking College](#).

The tournament will run over one day with a limit on the maximum number of teams that we can accommodate. Registration is based on a **first come first serve basis**. Each school can enter one team, with a maximum of 12 players per squad. The age policy for entry is as per the BSME guidelines, girls must be 10 or under as of 31st August at the start of the academic year.

The tournament entry fee is 500 dirhams per team. This covers the cost of officials, umpires, medals and trophies. (NB: Any surplus funds will be credited back to the schools taking part).

Refreshments will be available on site for an additional charge, however, we do recommend that players bring their own packed lunch and snacks for the day.

Should it be required, transportation can be arranged for overseas schools at an additional cost and there are also various accommodation options available. Please indicate this on the registration form if you require further information and an overview of the locations and pricings can be shared.

If you would like to attend the event, please complete the online registration form via this [link](#).

Registration for the event will close on **30th November 2021** and payment in full will be required by **9th December 2021**. Following this, I will forward the welcome pack and all information about the event. (This pack will also contain all the up-to-date relevant information about COVID protocols and guidelines which will need to be followed during this event.)

DESS is very much looking forward to seeing BSME students playing in this tournament, which we hope will bring schools together from across the BSME Network after such a long time apart.

If you have any further questions in the meantime, please do not hesitate to contact me.

Kind Regards,

Max Lohe
