## Class Descriptions

### Chess - max 18T

*Mondays, December 6 - March 2*

**Jules Lord, Chess Coach**

*Grades K -5*

Learning & playing chess has many academic, social, and behavioral benefits that can help children develop critical thinking skills and has even been shown to increase IQ. There are eight distinct critical thinking skills that your child can master by learning & playing chess: problem solving, calmness under pressure, abstract reasoning, patience, sportsmanship, creative thinking, pattern recognition, strategic thinking. Come play chess with us!

*Dismissal 4:30 p.m. from the Polk Building*

Cost for 11 weeks - \$165

**ROCK BAND - min 3 - max 10**

*Mondays, December 6 - March 2*

**Megan Mahoney, Band Instructor**

*Grades 3 -5*

Come rock out with Ms. Mahoney! Students will learn to play modern rock numbers with keyboard, guitar, drums, bass, and vocals. Bement provides the instruments, but you are welcome to bring your own.

*Dismissal 4:30 p.m. Old Main St.*

Cost for 11 weeks - \$165

**Culinary Adventures with Chef Jess - max 10**

*\*Tuesdays, January 4 - March 1 OR Thursdays, January 6 - March 3*

**Jess Maenzo-Tanner**

*Grades 2-5*

This is a hands on and interactive culinary themed after school program designed to engage kids in the process of preparing, preserving, and consuming many delicious creations. Participants should be prepared to get messy, enjoy food preparation, and be ready to have fun doing it!

**Students are asked to choose Tuesdays or Thursdays but not both.**

Cost for 9 weeks - \$135

**NOTICING NATURE - max 8**

*\*Wednesdays, January 5 - March 2*

**Jill Craig, Pine Hill Coordinator**

*Grades K-2*

Noticing Nature will be inside and out. Through play, exploration and inquiry students will learn about what types of animals are active in winter and how they survive the coldest months of the year.

*Dismissal 4:30 p.m. Old Main St.*

Cost for 9 weeks - \$135

**MOVIE MAGIC - max 10**

*\*Wednesdays, January 5 - March 2*

**Marcia Bernard, Librarian**

*Grades 3-5*

Let's make movie magic! Using live action, stop motion, the green screen, and special effects, students will create their own movies in the maker space. Students will learn how to use video editing software (iMovie and WeVideo) and where to find copyright friendly images and music. Students may choose to work on an entry for the upcoming school film festival, or create a movie on a personal interest. Creativity and technology come together in this fun afternoon program.

*Dismissal 4:30 p.m. Old Main St.*
