

A message from our PTO President:

Dear Parents and Guardians,

Poff PTO board would like to welcome you to the 2021-2022 school year. As we embark on another year in the midst of COVID 19 pandemic, I look back and remember how we have evolved as a group. In my second year as the PTO President, we have welcomed new members on the board, we have increased parent participation and have received overwhelming support for our programs from the Poff community.

In addition to the community support, we also have a great working partnership with HTSD, our lovely Principal Dr. Hannagan and the amazing teachers and staff. As last year, the PTO board is continuing with the electronic welcome packet so we can avoid paper copies being sent home (see *QR code* below). We encourage everyone to consider the PTO contribution. In addition, we encourage you to attend our meetings, volunteer in any way you are able and participate in our events and fundraisers. Please check out the events calendar for other exciting news and fundraising efforts for this school year!

As part of continuous improvement, PTO board members met with Dr. Hannagan over the summer and came up with an updated Vision and Mission statement.

Vision: The Poff Elementary PTO is a welcoming organization that fosters the creation of an environment where every student can thrive.

Mission: The PTO will:

1. Promote the enrichment of Poff Elementary children within the school and community.
2. Assist and support the school administrators and faculty in all areas where members may be asked to serve, and where the organization judges that its contribution will be meaningful.
3. Provide educational enhancement through its membership fund and fundraising activities.
4. Build and strengthen relationships between parents, teachers, administrators, and the community at-large.

We'd love to hear from you. Please share your thoughts and feedback with us. Poff Elementary is truly a special place. We have an amazing community of students, parents, teachers and staff. Thank you for helping to make every student's potential a reality.

Let's have a great year!

Sincerely,
Reema Troiana
Poff PTO President
