Online application is available on Lake Washington School District website.**

### Before the Lottery:

- Watch Cambridge Program PowerPoint with parents and become familiar with the program
- Review the Cambridge Student Profile to determine if the Cambridge Program is a “fit” for you
- Commit to preparation needed to enroll in either Geometry and/or Mathematics – Year 1 in Sept, 2022.
  - For Geometry: Successful completion of Algebra with a firm foundation in basic algebraic skills
  - For Mathematics – Year 1: Currently earning credit in Geometry
- Complete the **Lake Washington School District High School Choice School Application**. Online application is available on the Lake Washington School District website at <https://www.lwsd.org/schools/choice-schools/choice-school-application>.
- Application must be submitted online no later than Friday, December 3, 2021 at 4:00 p.m.
- District Choice School Lottery will be conducted on January 7, 2022. The Lake Washington School District will notify students of lottery number via e-mail by January 14, 2022.

### After the Choice School Lottery:

- Candidates selected by the lottery will be contacted via email by the Cambridge Program Coordinator.

Items to consider before commitment:

- Ensure a thorough understanding of the demands and expectations of The Cambridge Program by both student and parent(s)/guardian(s), including the expectation of a **four year** commitment to this program.
- Read, review, and reflect on the characteristics of a Cambridge Learner.
- What contributions do you make as a group member?
- What tactics do you use when you are struggling?
- What time management strategies do you use?
