TAX LEVY THRESHOLD YEAR 6

- ❑ The allowable levy growth factor is the *lesser* of 2% or CPI.
- ❑ For the 17-18 budget, the CPI, which will be used for the tax levy threshold calculation before exclusions, will be 1.26%.
- ❑ For the 17-18 budget, the tax base growth factor for Jericho (provided by the NYS Office of Real Property) is 0.18%.
- ❑ Accordingly, in addition to the information above and other exclusions, Jericho's tax levy threshold for 17-18 will be *approximately 1.5%*. Our goal is to achieve a **tax levy for 17-18 below our cap**, while securing all instructional programs and expanding in certain areas.

WHAT OPTIONS DO DISTRICTS HAVE?

- ❑ **Option 1:** Propose a budget requiring a tax levy before exemptions at or below the Tax Levy Limit prescribed by law. Requires a simple majority (50% + 1 voter approval).
- ❑ **Option 2:** Propose a budget requiring a tax levy before exemptions above the Tax Levy Limit. Requires a “super majority” (60% voter approval). Requires a statement on ballot indicating the required tax levy before exemptions exceeds the Tax Levy Limit.

POSITIVE OUTLOOK

- ❑ **NYS Mandated Employer Contribution Rates to the Employee Retirement System (ERS) will remain relatively stable for 17-18.**
- ❑ **NYS Mandated Employer Contribution Rates to the Teachers Retirement System (TRS) will decrease for 17-18.**

Challenges

- ❑ **Health insurance premiums for 2017 will increase significantly for the New York State Health Insurance Program: individual premiums over 11%; family premiums over 12% (the highest increase in recent memory). Will this trend continue?**
- ❑ **Continued impact of the unilateral removal by the Nassau County Department of Assessment of LIPA properties from all Nassau County tax rolls. The 16-17 reduction amount for Jericho School District is \$2.2M.**

BUDGET STRATEGIES

- ❑ Remain committed to being a premier school district and continue to deliver a high-quality, 21st Century education.
- ❑ Commit to our district mission and goals.
- ❑ Keep a multi-year perspective on the budget.
- ❑ Develop long-range plans for our educational programs and goals.
- ❑ Maintain and renovate our facilities.
- ❑ Continue technology replacement plans and expand technological initiatives.
- ❑ Continue to pursue efficiencies in all areas of the district.

BUILDING AND FACILITY CONDITION

- Over the past three years Mr. Hahn, Director of Facilities, has continually assessed Jericho district buildings and grounds.
- Last year we presented a detailed analysis of district facilities in order of priority, and the voters authorized over \$16 million in needed Phase I upgrades and renovations.
- Following is a detailed analysis of our updated, long-range capital plan and proposals for Phase II of our capital improvement program.

PRESIDENT'S MESSAGE
by Maria Bombace

Hello everyone. Jericho SEPTA welcomes everyone back to a new school year. The SEPTA Star, our newsletter, is designed to both educate and inform our entire community. We hope you enjoy the content of our newsletter.

My name is Maria Bombace and I am President of Jericho's Special Education PTA (SEPTA). Special Education PTAs are designed to help parents advocate for children with special needs. It is a forum for parents and teachers to exchange information on various programs, funding, and to support each other on the many problems of adjustment, growth and development our children face.

SEPTA has regular meetings just like any other PTA, with speakers to run lectures or workshops on many issues affecting our children. Our fundraising and membership support allows us to award grants for a variety of programs which benefit ALL Jericho students and to provide college scholarships to some of our exceptional students with special needs.

Membership is not restricted to parents, teachers or students enrolled in special education programs or receiving special services. Like all PTAs, it is open to any interested parent, teacher, student, administrator or person who cares about Special Education issues and advocacy. We welcome and encourage your membership and participation. Your support allows us to continue offering all that we do.

Thank you,
Maria Bombace
