**\*Three emergency closing days are now built into the school calendar.** If schools are closed for inclement weather or other emergencies, then those days will be made up on **May 30, April 10, May 26** (in this order). If no emergency closings take place, schools will be closed for students and teachers on these days.

School closing for inclement weather or other emergencies beyond the plan outlined may require the extension of attendance days for students and teachers by shortening spring vacation.
