We have listened to your feedback about book bags and backpacks and we are very pleased to announce that we have obtained some lovely Robsack Wood backpacks which you will soon be able to purchase via Parent Pay at a very special price. Our very own black Friday deal!

Robsack Wood back packs

We have listened to your feedback regarding rucksacks and bookbags and we are pleased to announce that we have obtained some lovely Robsack Wood back packs for parents to purchase at a very special price of **£5** (retail price is £8.95). The size allows for everything that the children need to bring into the academy including a lunch box, drink bottle and book.

These will shortly be available to purchase via Parent Pay. Please look out for this payment item and order your back pack which will be distributed from the main office at the academy.

From January 2022 we will be asking that children only bring in either a Robsack Wood back pack or book bag. We only have limited space in classrooms to store the children's belongings and the size of the backpacks we have ordered will allow us to neatly store them. It will also mark the children look very smart when they walk into the academy.

Thank you to our fantastic pupils modelling our new back packs today!
