Dear Parents and Students,

Welcome to Case Middle School. This handbook contains helpful information that will assist you in learning more about the procedures and rules of our building. A great percentage of discipline problems can be solved if students follow the two most basic rules of school: (1) Students need to be where they are supposed to be when they are supposed to be there and (2) they need to follow directions from staff.

Please do not hesitate to contact the main office, administrators, or teaching staff via phone or email if questions arise. We look forward to an exceptional partnership and successful academic year.

Sincerely,  
*CMS Administration*

## PLANNER USE

Each student will be provided with one free planner from the school district. This planner will help you record assignments, remember important dates, and stay organized.

### ***On the first day of school:***

- Write your name and team number on the front page in pen.
- Write your full name on each pass page in pen.

### ***Expectations for planner use:***

- You should have the same planner for the entire school year and know where it is at all times. Substitute planners are available for purchase in the main office.
- Carry the planner with you at all times.
- Your homeroom teacher will check to see that you have your planner each morning. Write each day's assignment in your planner during the first five minutes of every class every day. Your classroom teachers will be monitoring this.
- *Keep the planner intact. Do not cut, fold, or remove any parts of the planner. It will not be valid (acceptable for use) if it is not intact. Without a valid planner, you may not be able to leave a teacher's room. No planner = no go*
- You cannot use any other student's planner.
- When you need a hall pass, fill out everything except the time and teacher's signature. The teacher will complete the rest of the pass. Carry the planner with you and then get it signed by the teacher when you leave his/her room to return to your class.
- If an adult stops you in the hall to check your hall pass, have your planner open to the pass and present your planner.
- If you wish to leave a study hall to see a teacher, get a pre-signed pass before study hall so that your study hall teacher knows the teacher is expecting you.
- Take your planner home every night to show your parents. Use it to talk about your school work.
- When your parents write a note to your teachers, be sure to show it to teachers the next day.
- If your planner is lost, check ALL teachers' rooms, the office, and the school lost and found. Notify your first period teacher to receive a temporary page. You have 3 days to find it before you have to purchase a substitute planner at a cost of \$5.
- In the event that homework completion is an issue, your planner will be used as a means of helping you get back on track.

## ATTENDANCE

The Board of Education, in accordance with the State Education Law, requires that each minor from 6 to 16 years of age shall regularly attend school full time.

Attendance is *IMPORTANT*. It is each student's basic responsibility as a member of the school community. In addition, regular attendance is directly related to academic and career success.

According to Section 175.6 of the Commissioner's regulations, the following are defined as "excused absences:" personal illness, illness or death in the family, impassable roads or weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, military obligations, disciplinary detention of an incarcerated youth or any other reason approved by the Commissioner. All other absences or tardiness, unless authorized by the school, are considered unexcused.

1. Parents are responsible for calling the attendance office at 785-3882 beginning at 7:15 am to report their child's absence. A student is required to bring a written excuse upon his/her return to school. An all-call will go out to let parents know their child was marked absent for homeroom at 7:45 am. This helps us all to know where the students are for the day.
2. A student will have their parent or guardian write a note giving the student name, date, days of absences, and reasons for absence. This applies for all excused and unexcused absences or tardies.
3. All notes are due to the attendance secretary upon the student's return to school. Should a student fail to bring such a note by the fifth day, the absence or tardy will be marked unexcused.
4. A student whose attendance is irregular or questionable may be referred to the Department of Social Services for family court action.
5. Early dismissal may be granted for the same reasons allowable for excused absences. Students are expected to schedule appointments other than during school hours. To obtain an early dismissal slip from the attendance office, students must furnish a written request from their parent/guardian. This request must be dated, state the time and

reason for the absence, and be properly signed. Students are to report to the attendance office by 7:35 am for early dismissal slips. Their names, followed by the excused time, will appear on the absent list on that day.

6. Absent students will not be allowed to participate in any extra-curricular activity taking place on the day they are absent from school for any unexcused absence.

**Tardiness:** Students not in their homeroom class on time when the bell rings are considered tardy to school. Students are expected to be in class and ready to work when the bell rings at the beginning of each period. Consequences for tardiness can be found in the Discipline Code.

**Authorization to leave school:** Students will be in school for the entire day. Students may not leave the campus at any time other than the normal school dismissal unless they have permission from the school administration, school nurse, parent authorization by note or phone, or a valid medical or dental appointment slip. Passes for off-campus appointments must be signed with time of return to school.

#### **HALL PASSES**

Between 7:30 am and 2:25 pm, students in the hallway must have a pass. If a student is detained at the end of class by a teacher, nurse, administrator, or counselor, the student will need a pass in order to enter the classroom. Passes are contained in the planner. No passes are to be removed from the planner at any time during the school year. Students who are found in the hallway without a pass may receive an office referral for skipping class.

#### **LOCKERS**

Lockers are assigned to pupils to keep their coats, hats, and other possessions safe. Articles of value are not to be kept in lockers. A locker is assigned to each student at the beginning of the school year. Each student receives a copy of his/her combination. He/she must keep this confidential. The student has this locker for one year only. Over-the-handle padlocks and sharing lockers is not permitted. If a problem develops with the lock or locker, the student is to report this information to the homeroom teacher. School lockers, desks, and other such equipment are not the private property of students, but the property of the school district, and as such may be opened and subject to inspection at any time by school officials.

#### **LOST AND FOUND**

Students who lose items should check to see if they have been turned in at the main office or at the table near the auditorium. Articles found should be taken to the office.

#### **BREAKFAST/LUNCH PROGRAM**

All students at Case Middle School are eligible for free breakfast and lunch daily. Students can pay extra for additional food items. Menus are published on the school website and announced in school daily.

#### **EMERGENCY PROCEDURES**

All persons in the building are required to comply with established emergency procedures when activated. Tampering with emergency equipment (fire alarms, extinguishers, AEDs, etc.) or use of smoke bombs, fire crackers, and other explosive devices is strictly forbidden. Failure to comply with this policy will result in suspension and/or legal action.

#### **FIRE AND DISASTER DRILLS**

Fire and disaster drills will be conducted throughout the school year. Directions for fire and disaster drills are posted in each room and are to be followed without exception.

#### **EMERGENCY SCHOOL CLOSINGS**

In the event of a school closing or a delayed opening, information will be communicated to all students, parents and staff via the ParentSquare alert system and over the following radio and television stations:

WATN – AM 1240	WTOJ – FM 103.1	WFRY – FM 97.5	WWNY – TV 7
WTNY – AM 790	WWLF – FM 106.7	WLKC – FM 100	WWTI – TV 50

### **SERVICES**

#### **COUNSELING**

Student counseling may be initiated by a counselor, teacher, staff member, parent, or an administrator referral or by the student himself/herself. As much as possible, counseling will take place during study hall, but when it is necessary for a student to come out of a class, every effort will be made to rotate the scheduling so he/she does not miss the same class continually.

#### **HEALTH SERVICES**

In the health clinic, a registered nurse and licensed practical nurse are available to handle emergency situations, perform health assessments, provide first aide, do hearing and vision screenings, and arrange for school and sports physical exams. The clinic is located on the first floor of the building. If a student is to become ill during the school day, they must obtain a pass from their teacher prior to coming to the clinic. Once at the clinic, the nurse will make their initial assessment and treat as needed. If deemed necessary, the nurse will make appropriate calls to the parent or guardian. Students leaving school as a result of illness/injury must be released through the nurse’s office. Any student requiring medication during school hours must bring in a written note from the parent/guardian and an order from the prescribing physician stating the time, dose, and reason for the medication. Medication must be in its original container. Medication will be kept locked in the nurse’s office. The school-based health center, which is operated by the North Country Family Health Center, is available to all students at Case Middle School. Students will need to enroll in the program to receive services. Enrollment forms are available online or by calling the health center. A Nurse Practitioner and Certified Social Worker are available at the school-based health center.

### **ACADEMIC INFORMATION**

#### **ACADEMIC EXPECTATIONS**

Case has high expectations for student academic achievement to best prepare them to meet the high school requirements. Those students who need special help to meet these requirements will receive whatever support is necessary to be successful. It is our goal to have students leave Case with the skills necessary to succeed at the high school level and consequently, to graduate from high school.

#### **GUIDANCE DEPARTMENT**

The Guidance Department is located within the main office suite. There are two guidance counselors who work with students concerning a variety of academic and social-emotional needs. Students who need to see their counselor during the school year should schedule an appointment using the counseling request form. These can be found in the main office or requested from any classroom teacher. The counselors for the 2021-2022 school year are:

Mr. Freeman      A – K  
Mrs. VanWormer L – Z

In addition, there is a home-school coordinator, Mrs. Sutton, school social worker, Mrs. Adams, and school psychologist, Mrs. Wargo.

#### **HOME PRACTICE**

Home practice opportunities will be given to students to provide essential practice in needed skills, develop good work habits, and to promote growth in responsibility. Home practice should be viewed as an opportunity to develop one’s skills in the content area and demonstrate an understanding of the material as an independent learner.

When students are absent for a number of days, parents may call the guidance office (785-3880) to request academic work, including any home practice opportunities. A student can also access much of this work through the teacher's Google Classroom.

Home practice provides excellent opportunities for developing good study habits, for differentiation of abilities, and encouraging self-initiative on the part of the student. Parents and the school share responsibility for student learning. Parents can assist their children with home practice by:

- establishing a routine time and place for home practice that is free of distractions
- monitoring the planner to track the student's assignments
- giving requested assistance, if able, but encouraging the student to understand the assignment

At Case we believe that parental involvement in students' academic work is essential to demonstrate a value for the educational program. Parents should encourage and monitor home practice assignments.

**Make up requirements:** Following absence from class, it is a student's responsibility to request missed academic work from teachers.

### REPORT CARDS

Report cards are issued and mailed home four times a year. Notification of dates is on the district calendar, Case newsletter, in the front of the student planner and on the web at [www.watertowncsd.org](http://www.watertowncsd.org). A grade will be given for all students who are present for at least two weeks of instruction.

### PARENT CONFERENCES

At any time during the year a parent may schedule a conference with the team or with an individual teacher to discuss any concerns by calling the guidance office at 785-3880.

### HONOR ROLL

Being named to the Honor Roll should be a goal of all students. Four times each year, Honor Roll will be designated on the student's report card. To be named on the A Honor Roll, a student must have an overall average of 90% or above. Students are named to the B Honor Roll if they carry an average of 85% to 89.9%. It is a great honor to appear on either of these honor rolls.

### **DISCIPLINARY PENALTIES, PROCEDURES, AND REFERRALS**

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that students view as fair and impartial. School personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the students' ability to grow in self-discipline.

Disciplinary actions, when necessary, will be firm, fair, and consistent so as to be the most effective in changing student behavior. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:

1. The student's age.
2. The nature of the offense and the circumstances which led to the offense.
3. The student's prior disciplinary record.
4. The effectiveness of other forms of discipline.
5. Information from parents, teachers, and/or others, as appropriate.
6. Other extenuating circumstances.

As a general rule, discipline will be progressive. This means that a student's first violation will usually merit a lighter penalty than subsequent violations.

Responses to acts of harassment, bullying and/or discrimination against students by students shall use measured, balanced, and age-appropriate remedies and procedures, with the goals of prevention and education, as well as intervention and discipline. We will consider the nature and severity of the conduct, the developmental age of the student engaging in the conduct, the student's prior disciplinary record, and the impact of the conduct on the student at whom it was directed

If the conduct of a student is related to a disability or suspected disability, the student shall be referred to the Committee on Special Education and discipline, if warranted, shall be administered consistent with the separate requirements of this code of conduct for disciplining students with a disability or presumed to have a disability. A student identified as having a disability shall not be disciplined for behavior related to his/her disability.

**Penalties**

Students who are found to have violated the District's code of conduct may be subject to the following penalties, either alone or in combination with other students. The school personnel identified after each penalty are authorized to impose that penalty, consistent with the student's right to due process.

1. Oral warning – any member of the District staff
2. Written warning – bus drivers, hall and lunch monitors, coaches, guidance counselors, teachers, Principal, Superintendent
3. Written notification to parent(s) – bus driver, hall and lunch monitors, coaches, guidance counselors, teachers, Principal, Superintendent

**DISCIPLINARY CODE**

All disciplinary actions taken by the administration will be recorded in a file in the assistant principal's office separate from the student's academic file. Parents are notified by mail or phone of any actions taken. Disciplinary actions are cumulative for the year.

The following behaviors will not be tolerated at Case Middle School. The corresponding disciplinary actions will apply to all students on school property and at school-sponsored activities. This includes school buildings, school grounds, school buses, etc. The consequences that follow are a "guide" for the school administration. In certain situations, they may be modified or changed due to the individual circumstances. This decision is to be determined by the middle school administrator dealing with the student.

An afterschool bus will be available at 3:20 for those students who are transportable. While in detention, the student is expected to work and follow directions of the staff member in charge.

### **IN-SCHOOL RESTRICTION**

An in-school suspension room is located at Case Middle School. Students who are sent out of class will be sent to the I.S.R. room for the remainder of the period. Students may also receive additional time in this room as the result of an office referral. Students will be provided with work and will be expected to use this time for study and reflection of unacceptable behavior.

### **OUT-OF-SCHOOL SUSPENSION**

Suspensions are the most severe penalty that can be assigned by the school administration and will be used for only the most severe offenses or repeated violation of school policy. Parents will be contacted by the administrator before a student will be suspended during the school day. Suspensions by building administrators cannot exceed five days. A suspended student may not be in or around school during the period of suspension. Students are prohibited from participation in any school activities, including spectator attendance, during suspensions. The guidance office may be contacted for academic assignments. A parent or guardian may be expected to accompany a suspended student upon his/her return to school for a re-entry meeting.

Suspensions longer than five days or exclusions from school are determined by the superintendent of schools. Students who face exclusion will be offered a hearing concerning the reason for exclusion.

### **OTHER PROCEDURES AND POLICIES**

#### **SCHOOL SUPERVISION**

Students become the supervisory responsibility of the school once they set foot on school property. This means that once a student gets on the school bus or once the student walks onto school grounds, the school has supervisory responsibility for that student. Therefore, these guidelines must be followed:

1. Students who ride a bus to school cannot go across Washington Street or over to Green Street, but must come directly into the building and report to the gym or cafeteria prior to 7:25. In order that the bus ride to and from school may be safe, the following rules must be observed:
  - a. Keep all noise at a low level.
  - b. Keep hands, feet, and all possessions to yourself.
  - c. Obey the bus driver.
  - d. Remain seated until the driver gives permission to you to leave. The bus driver will refer discipline problems in writing to the building principal. The penalty for continued misbehavior may range from suspension from riding the bus to suspension from school. All school rules apply while students are riding the buses. All students riding school buses are expected to maintain good conduct while traveling.
2. Students who come to school by car, bicycle, or on foot must immediately enter the building upon arrival on school grounds. Prior to 7:25 students report to the gym or cafeteria.
3. Students may not leave school during the school day without confirmed written permission from a custodial parent/guardian. Phone calls during the day will only be accepted during an emergency.
4. No student may be released from school to a person other than the custodial parent without confirmed authorization (written or oral).
5. The school needs to be in possession of copies of any custody papers concerning students attending Case. Without papers on file, school personnel have no legal authority to carry out court orders.

#### **VISITOR/GUEST PROCEDURES**

Parents and other citizens are encouraged to visit the school periodically during the school year. Persons who are not students or staff *must* enter the school building through the main entrance in front of the school, sign in, and receive a visitor pass which must be displayed at all times. At the conclusion of the visit, the visitor must return the visitor pass and sign out. Student visitors from other schools, unless they have a specific reason and prior approval of the building principal, are not permitted to enter school buildings.

Visitors to the schools of the district shall be governed by the following rules:

1. Visitations to classrooms for any purpose require permission in advance from an administrator or his/her designee in order to allow teachers the opportunity to accommodate their schedules. Parents or guardians wishing to speak with a specific teacher concerning the progress of a child must make an appointment with the teacher, in addition to obtaining the permission of the Building Principal.
2. Parents are encouraged to visit teachers, guidance counselors, school nurses, school psychologist and other support personnel *by appointment*, in order to discuss any problems or concerns the parent may have regarding the student, whether or not school related.
3. Please NOTE: For the safety and well-being of the students and staff, all doors to the building are locked between 7:35 and 2:25. Please enter the main door for all school business. Students who expect to have visitors on a particular day must receive approval from teachers and an administrator at least 24 hours in advance.

#### **CELL PHONES/ELECTRONICS**

Case Middle School maintains a limited use electronics policy. Students are required to silence their cell phones upon entering the building. From 7:30 am – 2:25 pm, cell phone use is not permitted, except when directed by a teacher for instructional purposes or as a privilege. Cell phones and all other personal electronic devices are expected to be off and away at all other times. Smart watches are not permitted at Case Middle School. Earbuds and/or headphones are only permitted upon the directive of a teacher for instructional purposes or as a privilege. All electronic devices must be stored properly out of sight while traveling through the hallways and common areas during school hours.

The making of audio and video recordings/pictures is strictly prohibited without the express permission of a faculty member. Recordings of any kind must also have the permission of those being recorded and intent must be communicated.

#### **BICYCLES/SKATEBOARDS/ROLLER SKATES/ROLLER BLADES**

These items are not to be displayed or used in the school building. There is no skateboard/roller skate/roller blade riding on school grounds. If the student needs to bring these items to school, they must be kept in the main office. For your convenience, the school provides a bicycle rack near the turf. Place your bicycle in the rack and lock it for your own security. We are not responsible for lost or stolen bicycles/skateboards/rollerskates/rollerblades. No racing or unnecessary riding will be allowed on school grounds, including parking lots. Safety is required at all times.

## **THEFTS**

Students should report all suspected thefts to the main office where a report will be completed.

## **TRESPASSING**

A student is not permitted in any school building, other than the one he/she regularly attends, without permission from the administrator in charge of the building. Should a student be found in a building without permission, the building administrator will take action deemed appropriate at that time.

## **COMPUTER USE – STUDENT ACCEPTABLE USE POLICY**

The Watertown City School District offers access to electronic resources through the district computer network for instructional use. To gain access to the Internet and network, all students must obtain parental permission and must sign and return the student authorization form to the school office. The District will make a reasonable attempt to prevent inappropriate use of electronic resources, but ultimately the responsibility lies with the user.

This educational opportunity entails responsibility, and it is important that students and parents/guardians read and understand the following guidelines. The use of the Internet and other electronic resources is a privilege, not a right, and inappropriate use will result in the cancellation of that privilege.

When access to the Internet is granted, it is extremely important that rules be followed. Misbehavior could result in temporary or permanent loss of access to the Internet. Violations may result in disciplinary action up to and including suspension/expulsion. When applicable, law enforcement agencies may be involved.

The Board of Education does not sanction any use of the Internet including social media that is not authorized by or conducted strictly in compliance with this policy. Anyone who disregards the District's Acceptable Use Policy may have their user privileges suspended or revoked. Users granted access through the Watertown City School District assume personal responsibility and liability, both civil and criminal, for uses of the Internet not authorized by District policy.

## **BULLYING/DASA REPORTING**

Watertown City School District is committed to providing a safe and supportive environment free from harassment, bullying, and discrimination for all students. The District encourages the involvement of staff, students, parents, and community members in the implementation and reinforcement of the Dignity for All Students Act (DASA). If you believe you, or someone else, has been the target of harassment, bullying, cyberbullying, and/or discrimination, please complete the electronic form located on our web site ([www.watertowncsd.org](http://www.watertowncsd.org)) to report all allegations. This form should be submitted to the building DASA Coordinator, Mark Taylor. He can be reached at (315) 785-3870 or [mtaylor@watertowncsd.org](mailto:mtaylor@watertowncsd.org). For a paper copy of the DASA reporting form, you may contact Mark Taylor.

3. This prohibition applies to anyone who is on school property, including school buses and other vehicles being used to transport students for school purposes and to anyone attending a school sponsored event, including events located off District property.

5. This prohibition applies at all times, whether school is in session or not.

## **SEXUAL HARASSMENT**

The Board of Education (the Board) recognizes that harassment of students and staff on the basis of gender and/or sexual orientation is abusive and illegal behavior that harms victims and negatively impacts the school culture by creating an environment of fear, distrust, intimidation and intolerance. The Board further recognizes that preventing and remedying such harassment in schools is essential to promote a healthy, nondiscriminatory environment in which students can learn and employees can work productively.

The Board is committed to providing an educational and working environment that promotes respect, dignity, and equality, and that is free from all forms of harassment based on gender and sexual orientation. To this end, the Board condemns and strictly prohibits all forms of sexual harassment on school grounds, school buses and at all school-sponsored activities, programs, and events, including those that take place at locations outside the Watertown City School District (the District).

It shall be a violation of this policy for any student, employee or third party (school visitor, vendor, etc.) to sexually harass any student or employee.

In order for the Board to effectively enforce this policy and to take prompt corrective measures, it is essential that all victims of sexual harassment and person with knowledge of sexual harassment report the harassment immediately. The District will promptly investigate all complaints of sexual harassment, formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner. Limited disclosure may be necessary to complete a thorough investigation.

If, after appropriate investigation, the District finds that a student, an employee, or a third party has violated this policy, prompt corrective action will be taken in accordance with the applicable collective bargaining agreement, District policy, and state law.

All complaints and those who participate in the investigation of a complaint of sexual harassment have the right to be free from retaliation of any kind.

#### **STUDENT COUNCIL**

Student council is the organization that acts as a governing body of the school community. It is through this organization that changes are made, complaints heard, and some policy regarding students established. Elections are held in the fall by the student body for the Student Council president, vice-president, secretary, and treasurer. Each team will elect two ambassadors to the student council, and these ambassadors attend all meetings. Committees such as school spirit, bookstore, assembly, and dance are continuously active. It is through committees that much of the accomplishments are made.

#### **DANCES**

**Case dance rules:** There are no alcohol or tobacco products allowed at the dance. Students suspected of having consumed alcohol and/or used drugs prior to coming to the dance will be denied entrance. Student's eligibility to attend dances at Case Middle School is based on good citizenship.

Students who choose to attend a dance may do so if they have not received a full day in-school suspension, an out-of-school suspension, four or more office referrals, or been truant from school between the beginning of the school year and the first dance. The close of each dance begins a new eligibility period for the next scheduled dance. Students must be present at school that day in order to attend the dance. Legal excuses for absence include: doctor's appointment or court appearance. Students who are sick and not in homeroom or are sent home during the day will not be admitted to the dance. Any student removed from a dance may be restricted from all future dances for the remainder of the school year.

School policies change from time to time as situations and circumstances arise. These situations will be dealt with by and at the discretion of the principal. Any appeal of this procedure must be submitted to a building administrator by the parent of that student. Faculty who are chaperoning the dance have the authority to ask a student to leave if their behavior is considered disruptive. The student will be given the opportunity to call their parent to notify them that they need to be picked up. There are no guests allowed at Case Middle School dances.

#### **EXTRACURRICULAR ELIGIBILITY**

Case offers a variety of extracurricular activities. All students are encouraged to enrich their school experiences by taking part in activities that interest them. If a student is suspended, truant, or has multiple after-school detentions, he/she cannot participate in any extracurricular activity. He/she cannot attend practices, rehearsals, games, trips, etc. If there are special circumstances, the principal will make the final decision as to whether or not the student can participate. This includes school dances, athletics, clubs, school plays, and musicals. Please refer to the Extracurricular Student Code of Conduct.
