AUCTION CATALOG

INTRODUCTION

Giving something back to the local community has been an important part of IWCK (International Women's Club of Kyiv) life since its foundation in 1992.

IWCK counts on its international members and friends, its embassy network and local supporters to effectively help NGOs' work with women, sick children, people with disabilities, and the elderly.

The Art Auction event is the opportunity to raise funds for a CARITAS' project :
The fourth centre for single mothers with children and for women victims of domestic violence.
The house is now ready to accept women in need, Caritas is looking for funds to launch the program.

Thank you to Ivanna BERTRAND (Photo Kyiv fair / ArtEast gallery / Kyiv Agenda), the talented contemporary ukrainians artists and bidders for making this Art Auction a real success.

We wish you good luck on these auction days !

IWCK President
Christina GROENEWALD
