Superintendent Message

Dear Gull Lake School Community,

Much has been accomplished this past school year, and we anticipate great things to come as we wind down 2021! We moved into two new elementary schools at Kellogg and Richland and christened a new building remodel at Ryan Intermediate Elementary. Security

was upgraded across the District and our brand-new state-of-the-art Gull Lake Center for the Fine Arts is on track to be completed by mid-March. These new spaces are focused on teaching and learning and will create spaces for our entire community to gather, collaborate and participate intergenerationally in our lives together. These are just some of the many things our community can celebrate moving forward.

The Gull Lake Staff has considered it a privilege to serve our kids and community through some very trying times that stretched us and helped us learn how to make progress together. We are taking what we have learned and putting it to good use to help close learning gaps and build skills that lead to success. Our community knows how to pull together to get things done, and our kids benefit greatly as a result. One good example of getting things done is the new Vocational program being developed collaboratively in our region. The Gull Lake team has been working closely with the Kalamazoo Regional Educational Services Agency and leaders of industry,

business, skilled trades, hospitality and health care to develop a centralized Career & Technical Center that will be located next door to the Wings Event Center. Sixteen programs have been identified that represent high demand well-paying jobs in our region.

Another pilot project in partnership with the Gull Lake Area Rotary Club is the Dream Careers mentoring program. This program matches students with talented area career professionals to explore and evaluate specific pathways of interest. Our mission and vision at Gull Lake Community Schools is to help students deeply engage and invest in their learning as a lifelong habit. We value our Community Partners and their contributions in this process.

I want to extend an invitation to community members to come and tour our new and remodeled school facilities if you have an interest in seeing the outstanding results of our capital bond project. You can contact Central Office and we will schedule a time to tour together.

Wishing you a wonderful Holiday Season with family and friends!

Pardon our dust and GO GULL LAKE!

Raphael Rittenhouse/Superintendent

Project Lead The Way Launch

Drew Bordner – Director of Curriculum & Instructional Technology – dbordner@gulllakecs.org

This year at Ryan Intermediate our third, fourth, fifth-grade students and staff are tackling new challenges in our Science, Technology, Engineering Art/Architecture, and Math (STEAM) Lab with Project Lead The Way (PLTW) Launch Curriculum. Students already have the qualities of great designers and innovators. What PLTW Launch provides is an avenue to tap into their exploratory nature, engage them in learning that feels like play, and encourage them to keep discovering – now and for years to come (PLTW, para 1, 2021). Students and staff apply engineering practices, design thinking, and project-based learning to tackle real-world problems in our awesome new learning space! We are excited for the collaboration, problem-solving, creativity, and critical thinking taking place within our upper elementary building.

MAKING SENSE OF INVESTING

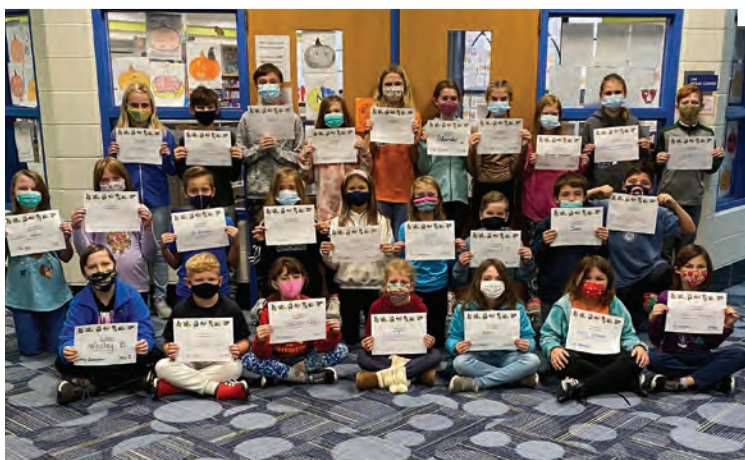

Leader In Me at Ryan Intermediate

Rob Woodrow – Principal – rwoodrow@gulllakecs.org

Student Leadership Opportunities ▶

Each student at Ryan Intermediate has had the opportunity to sign up to be in a leadership role at school. We have over 15 leadership groups established in the school and students have many more opportunities to lead in their classrooms. Some of our groups consist of a Recycling Team, Pledge Team, Curator Team, Lost and Found Team, Safety Patrol Team, Emcee Team, Greeter Team, Student Tour Team, Flag Team, Kindness Club Team, Spirit Club Team, Tutor Group Team, Behavior Celebrations Team, Library Helper Team, and a Celebrating Reading Team. Be sure to ask your student how they are growing and leading here at Ryan Intermediate.

◀ Student Leadership Awards

Ryan Intermediate students have the opportunity to earn a leadership award each month. Teachers identify a student in their class once a month who has consistently demonstrated the use of one of the 7 Habits here at school. The students are then recognized during our Community Circle assembly and their awards are put on display in the hallway until the next month.

Ryan Team Tickets ▶

When students are seen using one of the seven habits, they are presented with a Ryan Team Ticket and then their names are put into a drawing. The winners are drawn out of the bucket each week to win a prize for their efforts!

XTRAMATH FUN! Alex Bohr – 4th Grade Teacher – aboehr@gulllakecs.org

Thank you to the GLCS Foundation for providing Ryan Intermediate with a grant for the XtraMath Program! This program helps students build fact fluency in addition, subtraction, multiplication, and division, and can be customized to each student. We are seeing nice growth in our students' math fact fluency through daily practice!

Students and staff are enjoying the new spaces at Richland Elementary. Students have been using the extended learning spaces, using the larger and more flexible classrooms, and have been navigating the new playground spaces. Teachers have been learning and using the new technology in ways that keep students more engaged in the content. ***Thank you GLCS voters for our new learning spaces!***

GL YOUTH COMPETITIVE CHEER TEAM

Kristen Tucker-GL Varsity Cheer Coach

Gull Lake Cheer started a new youth program this year with twenty, 3rd-5th grade girls participating. The season started in August with rocket football sideline cheer and continued into the fall with three cheerleading competitions as part of the 517 Youth Competitive Cheer league. Varsity Coach Kristin Tucker said, "The girls have worked hard this season to learn the sport of competitive cheer. They increased their score by 136 points between the first and second competitions."

GL Youth Competitive Cheer Team

Middle School Wrestling and Girls Basketball Start Dates

Be on the lookout for tryout and practice times for middle school wrestling and girls' basketball. Below are the start dates for each. More specific information will be posted at www.GoGLBlueDevils.com and social media.

Middle School Wrestling

Preseason practices begin December 6

Official practice begins January 3

Middle School Girls Basketball (7th, 8th grade only)

Tryouts begin January 3

Please make sure your student's account is current in Planeths.com. A current physical must be uploaded to your student's account prior to participating.

NATIONAL HONOR SOCIETY

Veterans Day Drive

In celebration of our Veterans Gull Lake High School National Honor Society delivered a collection of personal care products for the VA hospital in Augusta. Thank you to all that have served.

NHS Historian, Jack Markillie, who delivered the items to the VA hospital, says that "the whole experience was very eye opening. The people at the VA hospital were extremely grateful for all the items. I am really proud of our NHS chapter this year, and I think this experience shows that the Veterans Day Drive tradition needs to be continued for years to come."

Bright Holidays

November 13th a group of NHS students assisted the Gull Lake Community Volunteers shop for Bright Holidays campaign which supports families in the community over the holidays.

NHS Secretary, Kennedy Abegg, whose group oversaw this mission, says that "It was great to shop for those in need and have fun along the way! We got to shop for specific families and learned about them, it was very memorable. The experience made me very proud of Gull Lake's wonderful community. I am excited for what the future holds for our NHS program."

NHS volunteers Kennedy Abegg, Regan McCarthy, and Raegan Coughenour alongside a Gull Lake Community Volunteer.

Abbie Sexton, Ella Ezbenko, and Ella Kamman.

Jason is now a Financial Advisor and Managing Partner of OsborneKlein, a private wealth advisory practice of Ameriprise Financial Services, LLC. He is also a third generation business owner. Additionally, Jason, along with his wife Laurie and two children, are proud residents of the Gull Lake community.

This ranking was developed by SHOOK Research and is based on in-person and telephone due diligence meetings to evaluate each advisor qualitatively, a major component of a ranking algorithm that includes client retention, industry experience, review of compliance records, and firm nominations; as well as a quantitative review that includes assets under management and revenue generated for their firms. Investment performance is not a criterion because client objectives and risk tolerances vary, and advisors rarely have audited performance reports. Rankings are based on the opinions of SHOOK Research, LLC and not indicative of future performance or representative of any one client's experience. Neither Forbes nor SHOOK Research receive compensation in exchange for placement on the ranking. For more information: www.SHOOKResearch.com

GLCS National Merit Semifinalists

Officials of the National Merit Scholarship Corporation (NMSC®) announced the names of approximately 16,000 Semifinalists in the 67th annual National Merit Scholarship Program. These academically talented high school seniors have an opportunity to continue in the competition for some 7,500 National Merit Scholarships worth nearly \$30 million that will be offered next spring. To be considered for a Merit Scholarship® award, Semifinalists must fulfill several requirements to advance to the Finalist level of the competition. About 95 percent of the Semifinalists are expected

to attain Finalist standing, and approximately half of the Finalists will win a National Merit Scholarship, earning the Merit Scholar® title.

Gull Lake High School is pleased to announce that **Andrew Turmo**, son of Joel and Melissa Turmo has been named as a Semifinalist for the 2022 Scholarship program.

Gull Lake Virtual Partnership is pleased to announce that **Daniel John** (GLVP 12th grader), son of Sunil and Jeena John has been named as a Semifinalist for the 2022 College Board National Merit Scholarship program.

Andrew Turmo with Counselor Diana Bushouse and Principal Don Eastman

DAR Award

The class of 2022 Daughters of the American Revolution (DAR) Good Citizen Award Winner is Colton Hicks! Colton was nominated by faculty and his senior class to win this award. The DAR Good Citizens program and scholarship contest is intended to encourage and reward the qualities of good citizenship. The student selected must have the qualities of dependability, service, leadership and patriotism to an outstanding degree. **Congratulations Colton!**

Colton Hicks

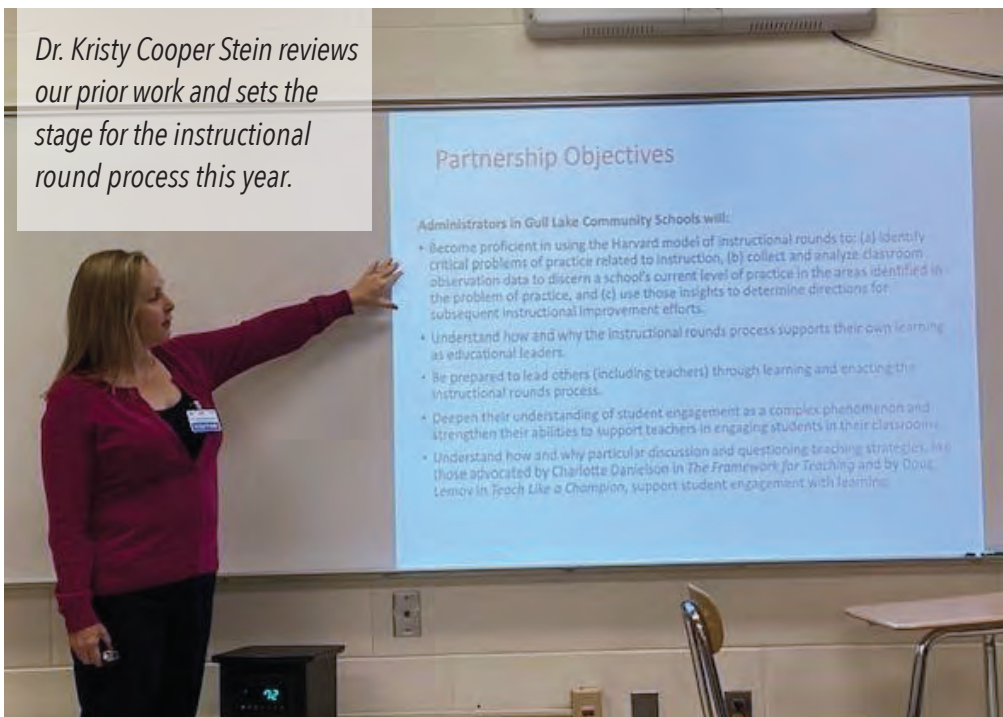

A Busy Fall At GLMS

Dr. Carmen Maring - GLMS Principal - cmaring@gulllakecs.org

FOCUS ON LITERACY

This year the middle school's goal is to have 80% or more of students proficient/benchmark on our MAP reading and/or PSAT Evidenced Based Reading and Writing assessment. As a result, we have worked to increase the quantity and quality of opportunities in all of our classrooms for students to read, write, and speak with purpose. We had the opportunity of hosting Dr. Kristy Cooper-Stein from Michigan State University to facilitate a process called instructional rounds where district wide administrators and instructional coaches visited our building to gather data and provide feedback around our goal work. We are happy to say that we have made gains in quality and quantity of opportunities and look forward to reviewing how that impacts our data later this year!

Dr. Kristy Cooper Stein reviews our prior work and sets the stage for the instructional round process this year.

PE WITH PARENTS

In an ongoing effort to invite middle school parents into the building, our Physical Education (PE) department teachers, Mr. Raleigh and Mr. Wester hosted PE with Parents in early November. Parents were able to join their child's respective PE class to play volleyball. Thank you, parents, for taking time to come in and be a part of the learning!

Early College and Gull Lake Virtual Partnership News

Bobbi Jo Stoner - Principal of Early College and Innovative Programs - bstoner@gulllakecs.org

Gull Lake Early College - A Parents Testimonial

Tesi Klipsch - Early College Parent

We moved to the Gull Lake School District when our oldest, Trysten, was mid-way through 8th grade. As he entered high school, I started hearing more about the Early College program and was immediately intrigued for a few reasons.

The first is that we have 5 children within 5 sequential school years. Tuition costs have skyrocketed over the last decade and we knew, should all 5 kids decide to attend college, we would need help shouldering the financial burden. Early College was an answer to that!

The second is that, anecdotally, I've known very few people in my life who knew what they wanted to do at 18-years-old. I know even fewer who started with one college major as an incoming freshman and finished with that major upon graduation. I didn't like the idea of my kids being in so much student loan debt from their first years of college as they tried different classes to see what fit. Early College was an answer to that, too!

My oldest 3 are currently in the Early College program. Trysten is in his 13th/final year at KVCC. After the spring semester next year, Trysten will enter a 4-year institution with 10 more credits than his peers, and he'll have done it for free! Tomas, a senior in high school, is in the middle of the program. Tariku, a junior in high school, is in his first year of the program.

I honestly cannot speak highly enough of the administrators, the support staff, and the entire program. From the moment you express interest to the end, your kids are supported and encouraged. It's such a great bridge between youth and adulthood as it gives the young people a safety net with adults checking in on them and being there as resources, but there is also so much independence being found in scheduling classes and making decisions themselves, too.

Honestly, I'll never understand why everyone in the Gull Lake school district isn't taking advantage of this incredible program. Thanks so much to everyone in the district involved in creating, implementing, and continuing this gift for our community. We appreciate you!

Tariku (Grade 11), Trysten (Grade 13) and Tomas (Grade 12)

GLVP Fall Fest

Gull Lake Virtual Partnership students, families and staff enjoyed a rainy, October evening together at Fall Fest 2021. There were outdoor games and activities, pumpkin decorating, a drumming circle and live music performed by students, staff and instructors.

Getting ready for a fun evening at Fall Fest 2021!

Fall Fest is a great way for our staff and students to connect.

The festive theme of fall continued in the arts and crafts activities available for GLVP Students at Fall Fest.

GLVP students and instructors played together to create a fun atmosphere at Fall Fest.!

Breaking the pinatas was a fun activity for GLVP kids at Fall Fest!

Gateway News

Lynnette Walker – Gateway Academy Supervisor – lwalker@gulllakecs.org

Gateway students have been busy lending a helping hand in their community. Students have volunteered their time with the Rotary helping with roadside clean-up, teaching technology at the Richland Area Community Center and raking leaves throughout the Richland area. Gateway students enjoy making a difference in their neighborhoods and appreciate any opportunity they can to give back to the community that supports them unconditionally.

Gull Lake Area Community Volunteers Updates Lori Drogosh – drogoshlori@gmail.com

The holiday season is quickly approaching! The Gull Lake Area Community Volunteers sponsored our annual Fall Warm-up program in which we provided new winter coats and snow pants for children in need in our community. The CVs are also gearing up for our Bright Holidays program in December. Families in need will receive clothing and educational toys for their children, as well as personal care items and a food gift card. We would like to thank the students from the Gull Lake High School National Honor Society and Volunteers who assisted us in shopping for these families. We would also like to thank the Kohl's store on West Main for their assistance. Parker Hannifin, Zoetis, and the Richland Area Community Center provided opportunities for community members to sponsor children for our program. Thanks, also, to the students from Richland and Kellogg Elementary and Ryan Intermediate who collected several hundred dollars' worth of coins in November for our Bright Holidays program. The Richland Rotary Club members were amazing sponsors this year as well. Your kindness is greatly appreciated! Although the Community Volunteers have finished their Bright Holidays shopping this year, they are still accepting cash donations. If you are interested in making a charitable donation, you may send a check to GLACV, P.O. Box 352, Richland, MI 49083. Or you may donate online at GLACV.org, click on the top right corner: Donations-How You can Help! Your donation is tax deductible. Thank you in advance for your generosity, and for helping us make the holidays a little brighter for hundreds of children and families in our community!

GLCS FOUNDATION

PICTURE THIS!

For nearly 40 years, the GLCS Foundation has supported excellence in education at Gull Lake Schools, providing more than **\$2.8million** to **expand and enhance education** and help students develop.

PLEASE DONATE and help us continue this important work!

Support the Foundation that Supports **YOUR** Schools!

Find out more and **DONATE** at glcsf.org.

CELEBRATING 5 YEARS OF SCHOLARSHIPS

The GLCS Fine Arts Foundation is thrilled to announce that we will be awarding our 5th Robin Nott Performing Arts Company Scholarship. We will also be awarding the GLCS Fine Arts Foundation Scholarship. Both scholarships are one-time awards of \$1,000. While the Nott scholarship is intended to honor those who have participated in the Performing Arts Company at GLHS, the FAF Scholarship is available to any student who has completed at least four (4) fine arts courses at GLHS and who intends to pursue a fine arts education in college. Applications are available in the high school guidance office, by emailing the FAF at glcsfineartsfoundation@gmail.com, or at our website, <https://glcsfineartsfoundation.wixsite.com/glcsfaf>. **Application deadline is February 25, 2022.**

Tis the Season for Charitable Giving

During this season, we'd love for you to consider a donation to the GLCS Fine Arts Foundation. Our programs would not be possible without contributions from our community. Donations may be made via PayPal at our website, or by mail to GLCS Fine Arts Foundation, P.O. Box 611, Richland, MI 49083. We thank you for your continued support of the Arts in the Gull Lake Community Schools.
