

Dr. Nicholas J. Spera, *Executive Director*

Denise M. Dunning, *Principal*

Tanya Collins, *Associate Principal*

November 30, 2021

Good Morning ISAAC Family,

Within this past hour, ISAAC conducted a lockdown drill in collaboration with the New London Police Department. Since the beginning of the school year, school staff have been preparing our students for emergency drills requiring evacuation or lockdown. The success of today's drill proved that our staff and students are knowledgeable and aware of the procedures necessary to perform an effective emergency drill.

Please know that the safety and security of our students and staff is a top priority for ISAAC. We continue to live our core values and beliefs in providing a safe learning and working environment. In addition, we will continue to practice these drills throughout the year to ensure that our school remains a safe place for teaching and learning. Furthermore, the New London Police Department and ISAAC will continue to collaborate and improve these practices by implementing additional measures aimed at ensuring a safe place for our ISAAC Family to learn, work, and grow.

In conclusion, the safety and security of our staff and students is our highest priority. We are grateful to the commitment and partnership with Chief Brian Wright, the City of New London, and its police department.

If you have any further questions, please feel free to contact Principal Dunning or Associate Principal Collins directly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'N. Spera', with a long horizontal flourish extending to the right.

Dr. Nicholas J. Spera  
*Executive Director*
