

# Carroll County Career & Technology Center

Students learn to construct interior and exterior walls, columns, doorways, window openings, fireplaces, chimneys, foundations, patios, and sidewalks from brick, concrete block and stone. They learn to mix/spread mortar, set-up scaffolding, read blueprints and plans, and estimate materials needed for a project. Students are also trained to lay-out buildings on footings and establish grades using a surveying transit. Upon completion of the program, students are qualified for full-time employment in the construction field.

## Major Units of Study

- Arches
- Basic Hand Tools
- Brick Veneering
- Building Block Leads or Corners
- Career/Business Opportunities
- Chimneys and Fireplaces
- Cleaning Masonry Work
- Foundations, Footings, and Waterproofing
- Laying Brick to the Line
- Masonry Equipment
- Masonry Supports, Chases and Bearings
- Steps and Brick Paving
- Stone Work

## Related Careers

- Brick Layer
- Contractor
- Estimator
- Foreman
- Mason Tender
- Masonry Contractor
- Renovation Specialist
- Self-Employment
- Stone Mason

## Post-Secondary

- Apprentice Programs
- Articulated with the Associated Builders & Contractors, Inc. apprenticeship program
- Articulated with the Community College of Baltimore County
- Colleges
- Military Services
- On-the-job Training
- Technical Schools
