

Carroll County Career & Technology Center

Print Production affords students the opportunity to begin their education for a career in graphics design. Topics include photography, computer illustration, and page layout. Select students will be able to pursue animation and web design. Up to 17 college credits can be earned through the Art Institute of Washington based on a portfolio review. Qualified students in Print Production can also earn 3 college credits through Carroll Community College.

- Prerequisite:
Graphic Communications or Commercial Art

Major Units of Study
