

Textiles & Fashion Careers

Students in this program are provided opportunities to develop the professional skills and technical knowledge required in careers in fashion and textile fabrication. Instruction is given in materials selection, design, cutting, sewing, fitting, alterations, decoration, as well as the cultural, historical and political aspects of textiles. A variety of design projects allow students to develop their creative skills. An in-depth study of fashion design, interior design, and merchandising is also offered.

Major Units of Study
