GAINESVILLE CITY SCHOOL SYSTEM

ONE GAINESVILLE: We will inspire, nurture, challenge, and prepare our students.

September 13, 2021

TO: Parents and Stakeholders

FROM: Gainesville City School Nutrition Program

As foodservice programs are preparing to return to normal service and menus, we are facing unprecedented issues with the supply chain that will cause us to alter our posted menus with little or no notice. We continue to work closely with our distributors and manufacturers to secure both the food and supply items needed to support our program.

It is Gainesville City School Nutrition's intention to serve the posted menus each day at every site, however, supply issues will not make this possible throughout the school year until supply chain issues are resolved.

School Nutrition will always attempt to substitute the scheduled menu item with another that is as similar as possible to the extent we are able to do so. School Nutrition will always do our utmost in making sure students are provided wholesome meals each day.

Regards,

Gainesville City School Nutrition Program
