

LNSU/LNMMUUSD CURRICULUM COMMITTEE MEETING
MONDAY, NOVEMBER 8, 2021, 5:30 PM

Call to order: 5:31 pm

Members present: Wendy Savery, Chasity Fagnant, Stephanie Sweet, Tina Lowe
Others present: Melinda Mascolino, Diane Reilly

Wendy provided a handout, "Considerations When Reviewing Achievement and Assessment Data 2021-2022". This also included the Title I Policy Requirements. After the group read through it, Wendy expressed that teachers are stressed out about report cards, particularly at the elementary level. Because we are Title I schools, and receive funds for literacy and math, we are required to follow the Title I Policy. Highlights of the policy include opportunities for families to provide input, methods of communication, variable meeting times, etc., how the LEA will provide support to schools through professional development, workshops, and trainings, and how the district will coordinate with other organizations, programs, and community partners to provide families with additional supports.

Wendy asked the group for their input on how to better engage our families as this is the number one requirement. Stephanie suggested reaching out through social media since parents are more likely to visit these platforms, possibly a one-way Facebook page. Wendy suggested we continue this conversation over the next few meetings. She is still working on putting this all together. We will also talk more about the Recovery Plan. Coming soon, results from the assessments.

5:51 meeting adjourned
