

This year, we have invited authors Miranda Mittleman and David Gorman to share their books with our community.

Miranda Mittleman is the author of the ***PAWS and THINK*** picture book series. Her books include her rescue dog, Weaver, who helps teach readers important lessons.

David Gorman is the author of the ***Waldameer Mystery Files*** chapter book series. In his chapter books, his characters spend time exploring Waldameer Park and other neighboring areas to solve intriguing mysteries.

Families who sign up for this **FREE** event will be provided with access to a video created by the authors and for directions on how to complete a hands-on activity that goes along with the book that was requested.

The link to these items will be posted on January 17, 2022

(The recording can be watched anytime because it is not live).

***Families may choose between receiving 1 picture book or 1 chapter book. ***

The activities and treats that will be sent home will be relevant to the book that is chosen.

If you have more than one child, please send in a separate form for each child indicating which book they would like.

To participate in this event and to receive your book and supplies **please fill out the attached permission slip and return it to your classroom teacher by December 10, 2021.**
