

Dear Haldane Community,

We are excited to begin our Girl's and Boy's Basketball season at Haldane. It is our priority to provide our student-athletes with an opportunity to play in front of their family and friends while maintaining a safe environment for our students, staff, and supporters. Therefore, the following guidelines are in place for the start of the season.

- Masks will be required while indoors for all individuals, regardless of vaccination status.
- Fans must sit 3 feet apart from each other. However, members of the same family may sit closer but must sit 3 feet apart from other families.
- Fan capacity will be reduced by 50% to allow fans the ability to social distance.
- Visiting team spectators are not permitted.
- Parents/guardians and family members should sit on the bleachers across from the visiting team.
- Current students and alumni will sit on the home bleachers across/behind the Haldane bench.
- All games at Haldane will be broadcast via LocalLive, and the link will be shared with the visiting team before the start of the game.

As a reminder, no food or beverages are permitted in the gymnasium. Remember, our goal is to ensure all parties' safety and reduce the risk of illness, transmission, and mandatory team/group quarantines. Please understand that these guidelines are subject to change.

Thank you for your continued support.

Sincerely,

Daniel Cowan

Director of Athletics, Physical Education, Health, & Dean of Students
