

Vaccination Mandate Information

Contingent on Full FDA Approval*

**Not Emergency Use Authorization*

Applies to

All students in K-12 in

- **Public**
- **Charter**
- **Private and**
- **All School Employees**

COVID-19 vaccine will be among roster of 10 other vaccinations that state requires students receive before starting school.

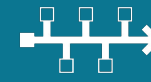

Students who opt out will not be allowed to attend school in person; can enroll in independent study.

Ages

- **Ages 12+**
Corresponding with grades 7-12
- **Ages 5-11**
Corresponding with grades K-6

Students who are under age of full approval, but within the grade span will be required to vaccinate once they reach age of full approval.

Phased Timeline

Requirement takes effect at start of (academic) term following full approval of that grade span.

**To be defined as
January 1, 2022
Or
July 1, 2022
whichever comes first**

Local health jurisdictions and LEAs are encouraged to implement requirements ahead of the state requirement based on local circumstances.

Exemptions

Medical, Religious and Personal**

***Because mandate comes from governor and not the Legislature*
