STATEMENT

The California Education Code (ED) requires public school districts or charter schools to provide the Transitional Kindergarten (TK) program to a child who will have his/her fifth birthday between September 2nd and February 2nd (inclusive). AB104 amended the EC to add subsection (c)(3)(B) to Section 48000 to allow a public school district or charter school the flexibility to admit a child into a TK program, under certain circumstances, if the child will have his/her birthday after February 2nd, but before June 30th.

PROCEDURE

1. For children with a post-February 2nd birthday, schools will be accepting applications during their TK/K enrollment period. Applications will be accepted beginning in March 2022 through September 2022.
2. Applications will be placed on a waiting list that will be prioritized by birthday priority, with February 3rd receiving first priority, then February 4th, etc. Priority for children with birthdays on the same day will be determined by lottery.
3. On the first day of school, the District will accept TK students from the waiting list to fill each TK class up to 15 students.
4. On September 15th, 2022, the District will accept TK students from the waiting list to fill each TK class up to 20 students. Students may be enrolled in the TK class until September 30th if space is available.
5. Priority for enrollment will be given to children in the school's attendance area. After all neighborhood children have been offered enrollment, schools may enroll students outside of the school's attendance area based on space availability, but **transportation is the responsibility of parent/guardian.**
6. TK students who are admitted and transfer to another district elementary school in 2022-2023 will not be automatically enrolled in the transfer school's TK program unless there is space availability.
7. To enroll an age-eligible child in Transitional Kindergarten, the parent/guardian is responsible for:
 - a. completing the standard LUSD elementary enrollment packet;
 - b. submitting all required immunization records;
 - c. providing proof of district residency; and
 - d. presenting valid proof of age.
