Message from the Board of Education and the Superintendent

Congratulations to the Class of 2019!

All of us on the Board of Education and in the Central Administration of the Brentwood School District would like to congratulate the graduating seniors of Brentwood High School one last time. The Class of 2019 are no longer high school students; they are college students; or service men and women; or productive, active members of our economy and workforce. They are the future leaders of tomorrow, and we are proud to say that we had a part in educating the very people who will soon shape our country.

Graduation day is often thought of as the celebration of something coming to an end. But what graduation truly represents is a beginning. It's a stepping stone. In short time the memories students make in Brentwood will recede to the background, while new challenges—be it family, career, service, or adventure—will take precedent. This is to be expected and encouraged. The only thing any of us in the Brentwood School District can hope for is that graduating students can look back on their time in our schools for guidance and inspiration, and that students who have moved on remember that we are always here to help along their next great adventures.

For those students still here in school: You have great shoes to fill. But we know that each and every one of you is up to the task. We can't wait to see how you will surprise us next.

Sincerely,

The Brentwood School District Board of Education and Superintendent

Mensaje de la Junta de Educación y del Superintendente de Escuelas

¡Felicidades a la Clase del 2019!

A todos nosotros en la Junta de Educación y en Administración Central del Distrito Escolar de Brentwood nos gustaría felicitar a los estudiantes graduados de último año de la Escuela Superior de Brentwood por última vez. La Clase del 2019 ya no son estudiantes de Escuela Superior, son estudiantes universitarios, hombres y mujeres en el servicio militar, o miembros productivos y activos en nuestra economía y fuerza laboral. Son los futuros líderes del mañana y estamos orgullosos de decir que tuvimos una parte en la educación de las mismas personas que pronto darán forma a nuestro país.

El día de graduación a menudo se considera como la celebración de algo que llega a su fin. Pero la graduación realmente representa un comienzo. Es un escalón. En poco tiempo, los recuerdos que los estudiantes hacen en Brentwood pasarán a un segundo plano, mientras que nuevos retos - ya sea familia, carrera, servicio militar, o aventura – tomarán el precedente. Esto es de esperarse y es alentado. La esperanza de nosotros en el Distrito Escolar de Brentwood es que los estudiantes graduados puedan mirar hacia atrás durante su tiempo en nuestras escuelas para obtener dirección e inspiración, y los estudiantes que han seguido hacia adelante recuerden que siempre estamos aquí para ayudarles en su próxima gran aventura.

Para aquellos estudiantes que todavía están aquí en la escuela: Tienen grandes zapatos para llenar. Pero sabemos que cada uno de ustedes realizará esta tarea. No podemos esperar a ver cómo nos sorprenderán en el futuro.

Sinceramente,

La Junta de Educación del Distrito Escolar de Brentwood y Superintendente

Robert Feliciano, Presidente • G. Paula Moore, Primera Vicepresidenta • Eileen Félix, Segunda Vicepresidenta

Fideicomisarios: Julia Burgos • Cynthia Ciferri • Maria Gonzalez-Prescod • Simone Holder-Daniel
