

## Toddler or Early Childhood

7:30-8:30

**Before School** | *optional breakfast program for Core students*

8:30

**Arrival**

8:35 - 10:45

**Independent Work Time**

**Toddlers** enjoy free choice of activities in the room. Teachers show little ones how to engage with the materials and encourage self-reliance. Community is important and the class takes a snack break together. They wrap up their independent time with toilet training.

**Early Childhood** jumps right into action as students select learning activities, a.k.a. works. Children work individually or in small groups while teachers invite children to receive personalized lessons. Students can prepare a snack for themselves and chat with a friend or move from their classroom to the gym for motor skills time.
