Session 3 Programs | January 10th – February 19th

Tacoma Public Schools and community partners have come together to offer Beyond the Bell. Beyond the Bell is a growing program that offers clubs, sports, and activities on in-service days, before, and after school. For more information, scan the QR code below or visit the [Beyond the Bell webpage](#).

After School Extended Learning Opportunities to Support the Whole Child:

Program Name	Days of the Week	Grade Level	Program Description
Outdoor Environmental Education	M/W	2-3	OEE is a fun opportunity for kids in grades 2nd-5th to have hands-on, active learning experiences. We bring some of the camp magic into the school, teaching kids science and outdoor skills. Activities may include reptiles, animal adaptations, a new ways to engage with the world around them!
Bricks 4 Kidz using LEGO Engineering	T/Th	K-5	Bricks 4 Kidz is devoted to providing an extraordinary atmosphere for children, where we learn, we build, and we play with LEGO Bricks. Classes are designed to teach the fundamentals of STEM education, built around our proprietary model plans, created by engineers and architects. At Bricks 4 Kidz, we believe that kids learn best through activities that engage their curiosity and creativity.
