

CRIMINAL HISTORY INFORMATION

To help ensure a safe environment and as required by state law, the Loogootee Community School Corporation will obtain for each individual hired for employment that is likely to have direct, ongoing contact with children as a result of the individual's position an expanded criminal history check. The expanded criminal history check will be obtained by the Corporation prior to the individual's employment, and no later than three (3) months after the individual's employment begins. The individual will be responsible for the cost to the School Corporation for obtaining the expanded criminal history check.

Any information obtained from any type of criminal history check is confidential and shall not be released or disseminated.

All school employees and individuals or entities that have contracts for services with the Corporation are required by state law to report convictions of certain crimes enumerated in state law to the Corporation. The superintendent or designee is responsible for implementing regulations to notify the employees, including volunteers, and the entities for contracted services of this duty.
