Suggested Test Prep Resources and Contacts

Khan Academy — Khan Academy has partnered with College Board to offer free, online SAT prep. Their service includes tips and strategies, practice in reading, writing, and math, and full-length exams.

Contact: www.khanacademy.org/test-prep/sat

Kaplan Free Online Test Prep — Self-paced online instruction for SAT and ACT prep. Normally the cost is \$299 per each test prep, but for SG students it is free! The online prep includes video tutorials, full-length practice tests, 1,000+ online practice questions, unlimited access to practice questions, hours of online lessons accessible via all mobile devices, and progress reports. Students can access the program directly through their Naviance accounts.

Contact: Rachel Ochoa, rachel.ochoa@kaplan.com

Kaplan Premier Tutoring — Reviews your child's academic progress, learning style, scheduling needs and score goals in order to match your child with the best tutor and the best program. This one-on-one service provides score-raising strategies and test-like practice. It can be utilized on campus during the student's study hall or weekend.

Contact: www.kaptest.com or 1-800-KAPTEST

Great Place to Learn — A local organization that assists students in developing effective study skills and advises them in various testing strategies, thus enabling them to utilize test time wisely and increase the likelihood of higher scores. **Contact:** Deb Ozug, debgptl@aol.com or 508-730-8867

Mary Louise Howard, Private Tutor — Located within walking distance from campus on Paradise Avenue, Mary Louise has tutored many SG students and is knowledgeable of our tutoring policies.

Contact: marylouise_howard@hotmail.com or 401-369-5646

Summit Educational Group — Summit works with families navigating the uneven landscape of standardized testing. Their team of experts calmly, caringly and expertly guided thousands of families through the process of admissions testing and tutoring. They are committed to testing success, on the student's terms: a commitment to find the right tutor, to customize the optimal program and to create a schedule that works.

Contact: Drew Heilpern, dheilpern@mytutor.com

Revolution Prep — Based out of California, Revolution Prep provides one-on-one online tutoring. With a pedagogy based on years of Stanford University research, and the only roster of full-time, professional tutors, their sole focus is on providing families with the perfect tutor to boost scores and build confidence. **Contact:** Susan Wasser, susan.wasser@revolutionprep.com or 617-206-3370

Compass Education Group — Based out of California, Compass is committed to realizing the potential of every student they serve through one-on-one online tutoring. Compass carefully evaluates each student's unique circumstances and testing history in order to make informed, individualized recommendations. They personally oversee every aspect of each program. **Contact:** global@compassprep.com or 800-685-6986

Applerouth — Based out of Atlanta, Georgia, Applerouth offers online private tutoring. Their tutoring process caters to each student's specific strengths, needs and schedule. Applerouth uses the latest research in cognition, memory and motivation to help students achieve a higher level of success.
