The Project includes the purchase costs and related expenses, temporary and permanent financing costs and other costs related to the Project. To meet said appropriation and in lieu of a tax therefor, bonds, notes or temporary notes of the City be issued pursuant to Article XII of the City Charter and Chapter 109 of the Connecticut General Statutes, as amended, or any other provision of law thereto enabling, in an amount not to exceed \$7,524,186 or so much thereof as may be necessary after deducting grants or other sources of funds available for the Project.

BE IT FURTHER RESOLVED, that the bonds or notes may be sold in a single issue or may be consolidated with other authorized but unissued bonds or notes of the City. The bonds or notes shall be issued in fully registered form, be executed in the name and on behalf of the City by the facsimile or manual signatures of the Mayor and the Treasurer, bear the City seal or a facsimile thereof, be certified and payable at a bank or trust company designated by the Mayor and the Treasurer which bank or trust company may also be designated as the registrar and transfer agent, and be approved as to their legality by Bond Counsel to the City. The bonds or notes shall be general obligations of the City and each of the bonds or notes shall recite that every requirement of law relating to its issue has been duly complied with, that such bonds or notes are within every debt and other limit prescribed by law, and that the full faith and credit of the City are pledged to the payment of the principal thereof and interest thereon. While it is anticipated that the bonds or notes will qualify as tax exempt bonds, the Mayor and the Treasurer are authorized, upon the advice of bond counsel, to issue all or any portion of the bonds or notes as bonds or notes the interest on which is includable in the gross income of the owners thereof for federal income tax purposes and it is hereby found and determined that the issuance of any such bonds or notes is in the public interest.
