32785 RE: FISCAL YEAR 2015 BUILDING GENERAL FUND BUDGET TRANSFER

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

Whereas, the mission of the Building/Code Enforcement Division is to promote minimum standards to insure the public safety, health and welfare insofar as they are affected by building construction, occupancy of buildings, structures and premises. It is their responsibility to enforce all regulations related to the construction process determined by the Connecticut General Statutes, the State Codes and City Ordinances.

Whereas, additional money would be needed to fund a housing inspector based on the large volume of calls the City of New Britain receives on a regular basis. Currently the division is severely backed up based on call volume and the funding of a housing inspector would help alleviate this issue.

Whereas, there are monies available in the Contingency account that can be allocated for this specific purpose.
