INFORMATION AND DISCUSSION

On September 9, 2021, the Board approved the 2021-2022 revised meeting schedule that included the rest of the 2021-2022 school year. A schedule conflict has appeared for June 2, 2021. That is the same date as the Novi High School Commencement Ceremony at EMU.

It is being recommended that June 2, 2021 be rescheduled for June 9, 2021.

These meetings will be held at the Educational Services Building, located at 25345 Taft Road, Novi Michigan 48374. The tentative schedule includes the proposed dates that will change.

COMMENTS FROM THE AUDIENCE

There were three (3) comments from the audience this evening. One was regarding masks; one was regarding supplementing education. in schools; and one was an expression of gratitude for 10 years of the Japanese School of Detroit Partnership.

SUPERINTENDENT REPORT

Dr. Steve Matthews, Superintendent of Schools, expressed his appreciation and thanks to the athletic department for hosting the MHSAA events in November. He reported that we hosted the

boys' soccer championship games earlier this month and will be hosting a football semifinal this coming Saturday. Dr. Matthew stated that he appreciated the hard work of the Novi Athletic Department and the way they make our Novi Community School District shine, during those moments.

Dr. Matthews reported that the work on our bond projects continues. He stated that the high school west wing office project is progressing and that we anticipate the work will continue through December and into January. Dr. Matthews said that our meadows project continues to wait for permitting, at this point, although the permitting from the city has been approved, we are now waiting on permitting from the state and the county.

Dr. Matthews mentioned that the bond projects at Orchard Hills and Village Oaks are finalizing their punch lists. He reported that the space in these buildings looks wonderful and we will be sure to give the Board a preview or an overview of that as we move forward.

Dr. Matthews wished everyone a wonderful Thanksgiving break. He stated that we have much to be thankful for, here in our school district. Dr. Matthews said that he believes that our break will be well received next week.

ADMINISTRATIVE REPORTS

Dr. Gary Kinzer, Assistant Superintendent of Human Resources, extended his gratitude to Sheila McDonnell, our benefits manager. He reported that we just concluded a very successful, open enrollment period. Dr. Kinzer stated that open enrollment occurs each fall and it is the time when all of our employees select insurance and other benefit options; a pretty comprehensive menu of choices.

Dr. Kinzer said that it is a pretty robust process and goes very smoothly because of Sheila's preparation and the attention she provides to members who are asking question in advance. He mentioned that all of our employees are able to make the best possible choices, so thank you to the business office and to Sheila McDonnell.

Dr. RJ Webber, Assistant Superintendent for Academic Services, expressed his thanks, in Japanese (Arigatogozaimasu) to Mr. Itaru Inoue, General Manager of the Japanese School of Detroit, for a decade of working beside him. He reported that it has been a pleasure and what he had done for the community, in the City of Novi, is astounding.

Dr. Webber stated that yesterday he had the privileged to find out that our student academic numbers are up by 48 students, so we are attracting students while other districts are shedding students. He said that a big part of that is Mr. Inoue's commitment to the Ringo Kai High School here on Saturdays. Dr. Webber mentioned that in our community one third of our students are of Japanese descent and, as such, have played a pivotal role in helping this community welcome more families. He stated that Mr. Inoue will be deeply missed.

Dr. Webber sincerely hoped that he returns to Kobe and that it is good for him, to see his family and friends as well. He said that this was obviously a mission and that ten years is a long time to be away from home. Dr. Webber expressed his gratitude. He mentioned that Bob Steeh and

Alice Smith had the initial conversations when he was in Birmingham and convinced the Japanese School to come take a look at Novi.

Dr. Webber reported that if we think about the English language learners, one third of our community fits that designation and if you think about the pandemic and what we have been through, imagine the life of an English language learner who is confined to home and away from friends, away from their family. He stated that the way you learn language is immersion, by being in school and around people.

Dr. Webber said that if you think about why we put the resources, things like social workers, social emotional learning aspects to really service our students. He mentioned that Mr. Inoue and his team have done great work, striving to build those connections with those families and we thank them for that.

Dr. Webber reported that last week he had the privilege of attending the Novi Community Coalition's yearly report and dinner, held at Tollgate Farm. He stated that Ms. Julie Farkas was there as well and it was great to see her.

Dr. Webber said that on Saturday, at Novi Middle School, we had our robotics competition for the first time in over two years. He mentioned there were 32 teams from around the state and it was the tech challenge. Dr. Webber reported that it was a joy to see the students competing again and connecting with each other.

Dr. Webber stated that Thanksgiving is coming and it is very important for him to be grateful for everyone in this community who had banded together to support our students and to support the adults who need it as well. He said to say the past two years has been challenging, would be an understatement and he is so incredibly proud of the people who serve this community school district every day that our kids are here with us.

Dr. Webber mentioned that he sees the kids regulated, learning, achieving, connecting, and most importantly, hearing them laugh. He reported that there is nothing like it. Dr. Webber stated that to create an environment where our students are loved and cared for and seen as human beings, is really a privilege to be here and he is thankful for that.

BOARD COMMUNICATION

Mrs. Murphy, Board Trustee, reported that she had the pleasure, along with Dr. Matthews, of going on the eighth grade field trip. She stated that this year she was fortunate to have a wonderful group of girls, two of whom were daughters of teachers that her kids had, so that was fun. Mrs. Murphy said that it was a great trip even though the capitol was closed. She mentioned that there were a few other places like the spy museum, which was an excellent place to go and the kids loved it.

Mrs. Murphy reported that nobody got sick and there was not a lot of traffic, which allowed them to get places much faster and get through security quicker. She stated that overall it was probably the best trip she had ever been on, and she has been on eight. Mrs. Murphy said that the students

were just fabulous and respectful. She mentioned that they got nice compliments for people, when there were out and about, and for the most part it was just really enjoyable.

Mrs. Murphy stated that she just loves that our teachers take such great care of the students when they are away from home. She said that some of them are away from their family for the first time and the teachers are just so nurturing. Mrs. Murphy mentioned that it was great to see them in an element other than that of being an instructor.

Mr. Mena, Board Secretary, reported that he will be volunteering at the state semifinals football games this weekend. He stated that he always looks forward to that event. Mr. Mena said that he was also looking forward to the new basketball season, which will be coming up shortly.

Mr. Mena reminded the Board that there are a lot of issues that he thinks the Board should start talking about and addressing in the near future. He mentioned that we were struggling with some bus shortage issues and he would like some more insight. Mr. Mena stated that maybe with our collective minds we can see if there are some additional creative ideas that we can come up with to resolve the bus shortage, he meant driver shortage.

Mr. Mena said that his understanding is that we have some type of struggle with substitute teachers and from what he is hearing that seems to be an issue. He mentioned that he would like a better understanding on that and what we are doing and how we compare to other districts. What are we paying folks, our subs, through EduStaff?

Mr. Mena stated that there are a lot of issues that are still pen with regards to curriculum and professional development and questions about general transparency. He said that there are issues with EnviroClean and he would like to, at some point when the time is right, to have some discussions there. Mr. Mena mentioned that there are some issues with grants and gift approvals as well as social media usage. He said maybe if there is another meeting that is short, the Board could have a closed session and start looking at lists like this and then add them to the agenda to start having those discussions publicly. It was stated that some of those things need to be addressed at the policy committee.

Mr. Cook, Board Vice-President, reported that he had the privilege of going to some middle school basketball games, so winter sports is off and running. He stated that the kids, without much practice, seem to be doing very well, gelling together. Mr. Cook said they seem to be off to a good start and the attendance was very nice for a Monday night. He mentioned that when he got there, the stands were probably half full, so that was good for a middle school game. Mr. Cook wished them luck for the rest of the season.

Mrs. Hood, Board Treasurer, reported that last Saturday was the marching band state finals and Novi's performance was lovely. She stated that they came in fifth, which was expected. Mrs. Hood said that Rockford won this year. She mentioned that Rockford had 210 kids on the field and it was incredible. Mrs. Hood stated that she does not know, but she thinks of the southeast Michigan schools as being more committed to Marshall.

ASSISTANT SUPERINTENDENT FOR ACADEMIC SERVICES

TOPIC: Novi High School Drama Club, Michigan Thespian Festival, December 10-11, 2021

Heather McKaig, the Novi High School play director, is requesting to have students of the High School Drama Club participate in a unique opportunity for them to grow as thespians by attending the Michigan Thespian Festival held in Lansing, Michigan. She led a group to the same event last year. The event includes workshops that improve technical and performance skills and numerous performances by other high school theatre companies. All students will have the ability to compete and seniors will have the opportunity to compete for a collegiate scholarship.

Students will be asked to pay \$230 to attend the event and bring money for food. They will be spending the night on Thursday, December 10th, at the Radisson Hotel Lansing, at the Capitol. Kaitlin Gray and Michael Heikkila will be chaperoning the trip with Heather McKaig.

RECOMMENDATION:

That the Novi Community School District Board of Education approve the Novi High school Drama Club trip, the Michigan Thespian Festival in Lansing, December 10, 2022 through December 11, 2022.

Out of State/Overnight Field Trip Approval Form

Field Trip: Michigan Thespian Festival

Dates of Trip: December 10-11, 2021

Groups: Members of the Novi High School Drama Club

Sponsor: Heather McKaig-- High School Play Director

Summary: This trip offers a unique opportunity for students to grow as thespians by attending the Michigan Thespian Festival held in Lansing. Ms. McKaig has led groups to the same event in the past. The event includes workshops that improve technical and performance skills and numerous performances by other high school theatre companies. Seniors will also have the opportunity to compete for a collegiate scholarship. All students will have the ability to compete during the event as well. The trip is an excellent opportunity for students to grow as young actors. Students will be asked to pay \$230.00 to attend the event. Students will be spending the night on Friday, December 10 at the Radisson Hotel Lansing at the Capitol. There will be two other chaperones to assist Ms. McKaig, Kaity Gray and Mike Heikkila. Thank you for your consideration.

Summary of Trip to Present to the Board of Education for Approval:

Please construct a paragraph that summarizes your trip

This annual Festival - which was held virtually last year and is returning to in-person this year - offers a great deal for high school theatre students in the State of Michigan. Students can be evaluated by Theatre Professionals in both acting and technical categories. They can see productions. They can attend workshops in things like costume design, stage combat, movement, and many other theatrical topics. Seniors can both audition for college programs and college scholarships. It also provides NHS theatre students an opportunity to meet with 1,000 other theatre kids in their state.

****Please consult the field trip checklist to ensure you have submitted all appropriate forms***

NCAC Students and Parents/Guardians,

This December, Novi High School will be participating in the Michigan Educational Theatre Association Thespian Festival. This is the fifth year that Novi High School will be participating in the Festival and I am very excited to return with more students than ever.

The festival will take place on December 13-15 in Detroit at the Renaissance Center, Cobo, and surrounding performance spaces. The total cost for a student to participate will be \$290.00, which includes hotel, event competition, all workshops, all performances, and a festival shirt. Checks can be made out to Novi High School. Food is NOT included in the cost and students MUST either bring food or money with them. I will make a determination on what kind of transportation we will have (bus or hoping for adult drivers) once I know how many students are interested. A check for the first \$150.00 is due by October 1. The remaining \$150.00 is due by October 15.

All students who are interested in attending the festival must be competing in at least one category, unless every category is filled in which the student might be eligible. Students are allowed to compete in a maximum of two events. Students will be adjudicated by a panel of three judges and given a written feedback sheet as well as a ranking of Superior, Excellent, or Good. All events have a five minute maximum.

Novi High School will be limited to two participants in each category. Specific Event Rules and more information about the Festival are available at <https://www.michiganthespians.org/michigan-thespian-festival>. The events are:

Solo Musical Theatre Dance
Group Musical Theatre Dance (2-16 people)

The Michigan Educational Theatre Association holds its annual Scholarship Competition for graduating seniors who plan to major or minor in Theatre or Communication Arts. These scholarships are for both performance and technical students. Fees are still being worked out but will be minimal. If a student is interested in the Scholarship Competition, s/he should see Ms. McKaig for more information.

If you are interested in being a part of this fantastic weekend of fun, please fill out the registration form, school permission slip, and health form.

Sincerely,

Heather McKaig, Kaity Gray, and Mike Heikkila

ASSISTANT SUPERINTENDENT FOR ACADEMIC SERVICES

TOPIC: 8th Grade Trip to Washington D.C., November 8, 2022 through November 11, 2022

In November of 2022, Novi Middle School 8th graders may have the opportunity to travel by Blue Lakes Motorcoaches to Washington D.C. This exciting annual trip affords our 8th grade students the opportunity to be immersed in the history and culture of our great nation and supports the U.S. History curriculum taught at this level. During the trip, students will visit the nation's capital and tour numerous monuments and memorials, including Arlington National Cemetery. Students will be exposed to the various components of our nation's capital.

The students would leave November 8, 2022 from Novi Middle School at 10:00 p.m. and return on November 11, 2022, missing three (3) days of school. The total cost for each student is \$885. There will be approximately 350 students participating in this trip.

RECOMMENDATION:

That the Novi Community Schools Board of Education approve the 8th Grade Trip to Washington D.C. November 8, 2022 through November 11, 2022.

ASSISTANT SUPERINTENDENT OF BUSINESS AND OPERATIONS

TOPIC: Novi Meadows Addition and Renovation Structure Cabling Project

IDS worked with the district technology staff, building administration, TMP, and Oakland Schools Technology to determine the structured cabling system for the Novi Meadows addition. The cabling acquired and installed will provide the necessary infrastructure for classroom and office data, wireless access, security cameras, and electronic signage.

On Tuesday November 9, at 2:00 PM, the received bids were opened and publicly read. The six firms that submitted bids were: Amcomm Telecommunications, Capricorn Diversified Systems, Complete Interactive Technologies, Infinity Technology Group, Moss Audio, and Technology Solutions Unlimited.

The base bid received were:

Bidder's Name	Bid Bond	Familial Disclosure	Affidavit of Compliance	Base Bid
Moss Audio	Yes	Yes	Yes	\$87,762.07
Complete Interactive Tech.	Yes	Yes	Yes	\$90,492.83
Amcomm Telecomm.	Yes	Yes	Yes	\$94,500.00
Capricorn Diversified	Yes	Yes	Yes	\$96,750.00
Infinity Tech Group	Yes	Yes	Yes	\$102,493.00
Technology Solutions Unl.	Yes	Yes	Yes	\$117,609.00

IDS recommends award of the Meadows Addition Structured Cabling project be awarded to Moss Audio in the amount of \$87,762.07. The project is within the established budget for the scope of the bond projects.

IDS also recommends a district managed contingency of \$17,553. This is 20% of the award based on potential modifications that may be necessary due to delays in construction.

The total award for this project is \$105,315.07

This comes before the Board tonight for information and Discussion and will come back for approval at the December 16, 2021 Regular Board meeting.

Mr. Gregory McIntyre
Novi Community School District
Assistant Superintendent of Business and Operations
Educational Services Building
25345 Taft Road
Novi, MI 48347

Project Name: Novi Community School District
Structured Cabling
Novi Meadows Addition and Renovation
Novi, Michigan

IDS Project No.: 19244-1000 BP04

Dear Mr. McIntyre

As part of the 2019 School Bond approved by the Novi community, plans and specifications were developed to acquire and install the structured cabling system for the Novi Meadows Addition. This project includes the installation and appropriate termination of Category 6 and fiber optic cabling in the new addition at Meadows Elementary School. The request for proposals (RFP) was issued on Tuesday, October 19, 2021.

IDS worked with the district technology staff, building administration, TMP, and Oakland Schools technology staff to determine the structured cabling needs for the addition at Meadows. The cabling acquired and installed will provide the necessary infrastructure for classroom and office data, wireless access, security cameras, and electronic signage.

On Tuesday, November 9 at 2:00 PM received bids were opened and publicly read. Six firms submitted bids: Amcomm Telecommunications, Capricorn Diversified Systems, Complete Interactive Technologies, Infinity Technology Group, Moss Audio, and Technology Solutions Unlimited.

Received base bids were as follows:

Bidder's Name	Bid Bond	Familial Disclosure	Affidavit of Compliance	Base Bid
Moss Audio	Yes	Yes	Yes	\$87,762.07
Complete Interactive Tech.	Yes	Yes	Yes	\$90,492.83
Amcomm Telecomm.	Yes	Yes	Yes	\$94,500.00
Capricorn Diversified	Yes	Yes	Yes	\$96,750.00
Infinity Tech Group	Yes	Yes	Yes	\$102,493.00
Technology Solutions Unl.	Yes	Yes	Yes	\$117,609.00

There were no mandatory alternates in this bid.

The RFP design allowed vendors to submit proposals that utilized a variety of approved manufacturers' products to provide a system that meets the districts desired outcomes. The RFP also requested that the vendor extend bid pricing for 24 months after the date of substantial completion. This will allow the district to use bid pricing on subsequent projects such as the Meadows renovation phase, the High School, and the R.O.A.R building.

Interviews were conducted with four vendors based on compliant bids.

The apparent low bidder, Moss Audio, met the requirements of the project as specified and designed. References for the proposed solutions were contacted and considered in the evaluation process. Due to supply-chain shortages, vendors are wary of their ability to maintain pricing over an extended period. With this bid, Moss Audio agrees to limit price increases to the lesser of their actual materials cost or 10% over the next 24 months.

IDS recommends award of the Meadows Addition Structured Cabling project be awarded to Moss Audio in the amount of \$87,762.07. The project is within the established budget for the scope of the bond projects.

IDS also recommends a district managed contingency of \$17,553. This is 20% of the award based on potential modifications that may be necessary due to delays in construction.

The total award for this project is \$105,315.07
