

Grave Fees

"Grave fees" are fees charged by the cemetery for the land where burial(s) will occur. Graves may be purchased in advance, and can either be paid for all at once or over time. No burial will be allowed in a grave with an outstanding balance. Also, permanent grave markers or monuments may not be installed on a grave with an outstanding balance. If a marker or monument is centered over multiple graves all graves must be paid in full.

Honorably discharged Veterans, who are former or current New Britain residents, are provided a grave in section 18, 18 cremation or 18A free of charge. The spouse of a veteran may purchase a grave in section 18 cremations or 18A. Veteran and spouse sections allow for flush markers only.
\$1,555 full grave for spouse of veteran
\$675 cremation plot for spouse of veteran

Free Ground Areas (Flush Marker Grave)
Free graves, in designated areas, are provided to qualifying New Britain residents who receive state administered general aid and the indigent. Before a permanent flush marker can be installed the grave must first be paid for. Upright monuments are not allowed in free ground areas.
\$1,215 full grave, includes, \$215 fmmf
\$625 single cremation plot, includes \$215 fmmf

An "Upright Monument Grave" is a gravesite that allows for the installation of any monument that protrudes beyond the surface of the ground. A "Flush Marker Grave" is a gravesite that allows only for the installation of flush marker.
A CEMETERY DEED IS REQUIRED FOR ALL PLOT SALES.

Burial Fees*

"Burial fees" are fees charged by the cemetery to open and close the ground for a burial. Unlike grave fees, burial fees may not be paid in advance. Burial fees will be assessed when a burial is scheduled and must be paid in full prior to or at the time of burial. **Burial fee include chairs, greens, and lowering device.**

M-F: Burial parties must exit the cemetery by 2:00pm so our staff has sufficient time to close the grave and return equipment before the end of their working day. The Late Departure Fee will be charged automatically at 2:00pm for a minimum of one hour, and compounded for any part of one hour thereafter at 3:00pm. This charge will not be prorated.
Saturday & Sunday/Holiday: Burial parties will be assessed the applicable Late Departure Fee if they are in the cemetery 1 1/2 hours beyond their scheduled time of arrival.

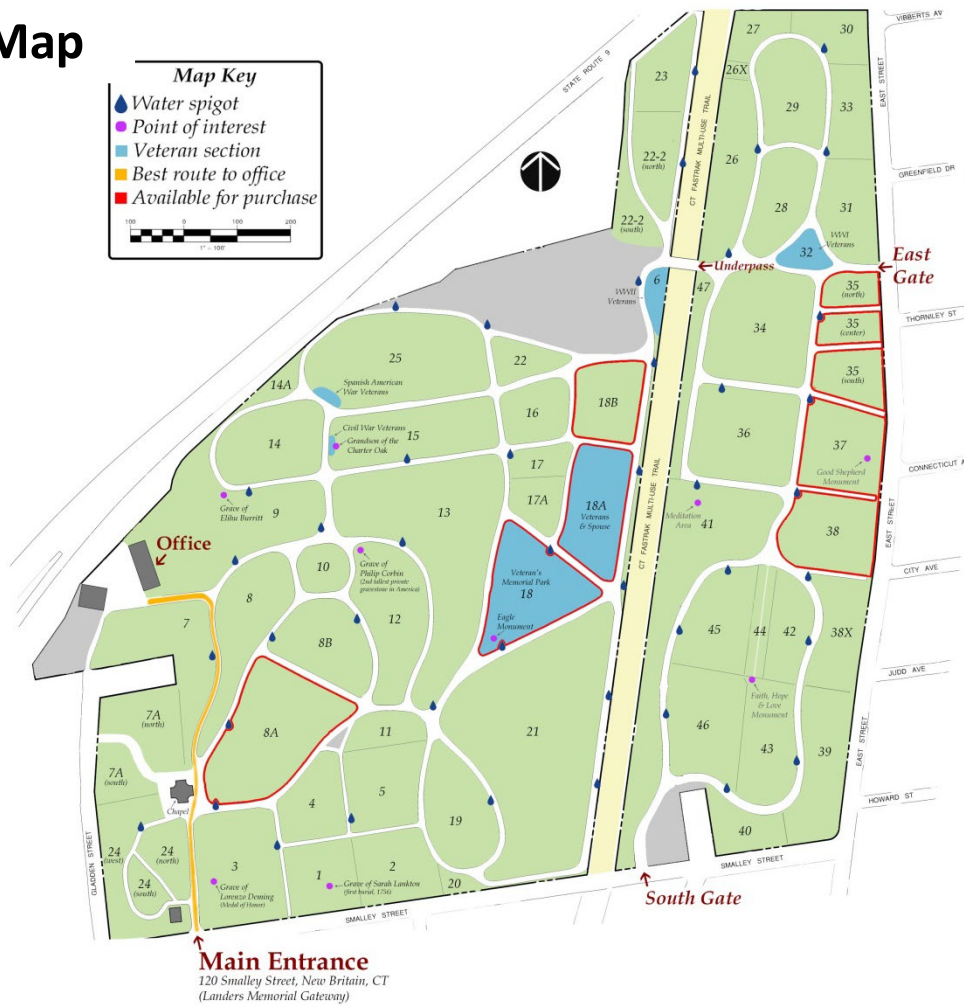

Genealogy Research Fee
First Name Requested..... \$15
***Each Additional Name..... \$5**
*All names must be requested at same time to qualify for discount.

From the mid 1890's the cemetery has collected in-depth information on each interment including: name, place of birth, late residence, age at death, date of death, cause of death, date of burial, undertaker, parents, maiden name of spouse. Please submit all research requests by mail with payment, payable to "Fairview Cemetery". Please include approximate dates of birth and death if known. Allow up to ten weeks for processing. Records may also be viewed in person by appointment at no charge.

*Once a grave has been excavated, the applicable Burial Fee will be due regardless of cancellation.
**In the event of a late arrival/no show, all burial setups will be broken down at 2:00pm unless otherwise directed.
